A FINANCE CHARGE OF 1.8% PER MONTH (21% PER ANNUM) will be charged on the past due balance. The past due balance represents all charges remaining unpaid on the billing date of the month following the invoice date. In the event of default in the payment of any amount due, and if the account is placed in the hands of any agency of attorney for collection or legal action, the purchaser agrees to pay finance charges equal to the cost of collection (as permitted by laws governing these transactions). When necessary, Quinn will involve its equipment's lien pursuant to Sections 9051 and 9051a of the California Civil Code. Acceptance by the customer of the parts, service or equipment listed above is the customer's agreement to be bound by the credit and collection terms set forth above.

* Part Description with asterisk indicates a non-returnable part

A FINANCE CHARGE OF 1.5% PER MONTH (18% PER ANNUM) will be charged on the past due balance. The past due balance represents all charges remaining unpaid on the closing date of the month following the invoice date. In the event of default in the payment of any amount due, and if the account is placed in the hands of any agency or attorney for collection or legal action, the purchaser agrees to pay finance charges equal to the cost of collection (as permitted by laws governing these transactions). When necessary, Quinn will invoice its recipient's lien pursuant to Sections 3091 and 3091a of the California Civil Code. Acceptance by the customer of the parts, service or equipment listed above is the customer's agreement to be bound by the credit and collection terms set forth above.
