(Note: The price shown is based on the hours of the machine at the time this price was prepared. By accepting this agreement, you agree to allow Altorfer to set the effective starting hours, using the hours shown below. If you prefer to furnish a new hour meter reading prior to or on the expiration date, Altorfer is required to re-price this agreement and present new pricing to you for your approval.)

This machine last noted hours were around **3692 hours**.
