Thank you for using John Deere Financial to finance your equipment purchase. This letter serves as verification that we have received payment in full and this account balance has been satisfied. If your equipment included a gator or trailer, and if the Title or Manufacturer's Certificate of Origin (MCO) was provided to us, it was mailed to you on or about 10 days after closing of your account. If your gator or trailer was traded into a dealer or was paid off by insurance proceeds, the title or MCO would be provided to your dealer or the insurance company paying off the equipment. Note: Tractors are not titled goods.

It has been a pleasure serving your financial needs, and we would welcome the opportunity to serve you again in the future. Please visit www.JohnDeereFinancial.com or call 1-800-771-0681, to learn how we can help you.

Sincerely,

John Grosso
