

## Serial Number Window: JEEZC540LPF510223

Build Date 20/Nov/2023

---

|   |                |   |
|---|----------------|---|
| ✘ | Technical Type | 696086034 - STEIGER 540 HD WHEEL - TIER 4B PST (NA) |
|---|----------------|---|

---

|   |                 |             |
|---|-----------------|-------------|
| ✘ | Production Date | 20/Nov/2023 |
|---|-----------------|-------------|

---

|   |              |           |
|---|--------------|-----------|
| ✘ | Serial Range | ZPF510223 |
|---|--------------|-----------|

---

|   |          |                  |
|---|----------|------------------|
| ✘ | Variante | 729075-Firestone |
|---|----------|------------------|

---

|   |          |                            |
|---|----------|----------------------------|
| ✘ | Variante | 5S639MY23 - 468182-MY 2023 |
|---|----------|----------------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU02ZZA62-5SU02ZZA62 |
|---|----------|-----------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU02ZZA77-5SU02ZZA77 |
|---|----------|-----------------------|

---

|   |          |   |
|---|----------|---|
| ✘ | Variante | 5SU03GGA - 429525-Luxury Technology Cab |
|---|----------|---|

---

|   |          |  |
|---|----------|--|
| ✘ | Variante | 5SU07ZZD03 - XT7130X-No Hydraulic Trailer Brakes |
|---|----------|--|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU07ZZD04-5SU07ZZD04 |
|---|----------|-----------------------|

---

|   |          |                     |
|---|----------|---------------------|
| ✘ | Variante | 5SU15PF01-5SU15PF01 |
|---|----------|---------------------|

---

|   |          |                                     |
|---|----------|-------------------------------------|
| ✘ | Variante | 5SU15RBA - 420099-Dual Beacon Light |
|---|----------|-------------------------------------|

---

|   |          |                     |
|---|----------|---------------------|
| ✘ | Variante | 5SU18ZZ02-5SU18ZZ02 |
|---|----------|---------------------|

---

|   |          |              |
|---|----------|--------------|
| ✘ | Variante | 449065-Duals |
|---|----------|--------------|

---

|   |          |                     |
|---|----------|---------------------|
| ✘ | Variante | 5SU02ZZ16-5SU02ZZ16 |
|---|----------|---------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU02ZZA55-5SU02ZZA55 |
|---|----------|-----------------------|

---

---

|   |          |                 |
|---|----------|-----------------|
| ✘ | Variante | 5SU03BA-5SU03BA |
|---|----------|-----------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU03DAA51-5SU03DAA51 |
|---|----------|-----------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU03STA04-5SU03STA04 |
|---|----------|-----------------------|

---

|   |          |                               |
|---|----------|-------------------------------|
| ✘ | Variante | 5SU06CCA01 - 464428-TWO PUMPS |
|---|----------|-------------------------------|

---

|   |          |                     |
|---|----------|---------------------|
| ✘ | Variante | 5SU535HAF-5SU535HAF |
|---|----------|---------------------|

---

|   |          |                                      |
|---|----------|--------------------------------------|
| ✘ | Variante | 5SY11AA - XT4940X-No Singles Ordered |
|---|----------|--------------------------------------|

---

|   |          |                                     |
|---|----------|-------------------------------------|
| ✘ | Variante | 5SY17RC - XT4961X-Less Rear Ballast |
|---|----------|-------------------------------------|

---

|   |          |  |
|---|----------|--|
| ✘ | Variante | 5S614NAA - 420701-North American English |
|---|----------|--|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU02ZZA29-5SU02ZZA29 |
|---|----------|-----------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU02ZZA72-5SU02ZZA72 |
|---|----------|-----------------------|

---

|   |          |                   |
|---|----------|-------------------|
| ✘ | Variante | 5SU03AMA-5SU03AMA |
|---|----------|-------------------|

---

|   |          |                   |
|---|----------|-------------------|
| ✘ | Variante | 5SU03CIA-5SU03CIA |
|---|----------|-------------------|

---

|   |          |                       |
|---|----------|-----------------------|
| ✘ | Variante | 5SU03ZZA01-5SU03ZZA01 |
|---|----------|-----------------------|

---

|   |          |                     |
|---|----------|---------------------|
| ✘ | Variante | 5SU09AA03-5SU09AA03 |
|---|----------|---------------------|

---

|   |          |                          |
|---|----------|--------------------------|
| ✘ | Variante | 5SU09AAA - 420600-No PTO |
|---|----------|--------------------------|

---

|   |          |   |
|---|----------|---|
| ✘ | Variante | 5SY17FT - XT2150X-Standard Less Front Ballast |
|---|----------|---|

---

|   |          |  |
|---|----------|--|
| ✘ | Variante | 5SY17RX - XT4982X-Std no rear weight bracket |
|---|----------|--|

---

|   |          |                          |
|---|----------|--------------------------|
| ✘ | Variante | 463795-Aux.Fuel Tank HHP |
|---|----------|--------------------------|

---

|   |          |                                       |
|---|----------|---------------------------------------|
| ✘ | Variante | 5SU15PF01-PARALLEL FLOW HYDRAULICS PS |
|---|----------|---------------------------------------|

---

---

|       |          |   |
|-------|----------|---|
| ✘     | Variante | 5SU08ZZ13-DRAWBAR HEAT TREATED, CAST HANGER                             |
| <hr/> |          |   |
| ✘     | Variante | 5SU07ZZD04-HYDRAULIC REMOTE HOSES                                       |
| <hr/> |          |   |
| ✘     | Variante | 5SU03ZZA01-NO FOPS - NA   |
