

Plant Includes:

- Westpro JC2436 jaw crusher with 100 HP Motor
- Hydraulic tilting grizzly
- Westpro HP35 cone crusher with 300 HP Motor
- Westpro MCC HP300S cone crusher hydraulic power unit
- Westpro MCC HP300S cone crusher lube unit
- Hydraulic tilting grizzly
- 6' x 16' triple deck inclined screen
- Westpro RM610 rod mill with feed shoot, discharge screen, and forced lube system
- Westpro bolt on rod mill drive assembly that includes: 200 HP motor, shaft reducer, centrifugal clutch, inching drive, flexible grid coupling, and pinon shaft
- Westpro BM610 ball mill with feed shoot, discharge screen, and forced lube system
- Westpro bolt on ball mill drive assembly that includes: 200 HP motor, shaft reducer, centrifugal clutch, inching drive, flexible grid coupling, and pinon shaft
- Westpro 5' x 6' operating cab
- One (1) 24" x 25' (overall length including hopper) conveyor with 48" x 72" feeder hopper
- One (1) 24" x 20' (overall length including hopper) conveyor with 48" x 72" feeder hopper
- One (1) 24" x 25' conveyor with 10 HP motor
- One (1) 24" x 16' conveyor with 10 hp motor
- Seven (7) 24" x 20' conveyors
- One (1) 42" x 21' jaw discharge conveyor
- Two (2) 24" conveyor belt rolls
- Forty seven (47) conveyor rollers
- Three (3) Westpro VTP2.0 vertical tank pump
- One (1) Westpro VTP3.0 vertical tank pump

- One (1) Westrpo VTP4.0 vertical tank pump
- Components for walkway and stairs
- metal frame structure components
- metal frame belt guards
- misc. bolt and assembly components in boxes and crates
