

EC Declaration of Conformity

We,

the Manufacturer

Volvo CE
ABG Allgemeine Baumaschinen-Gesellschaft mbH
Kuhbrückenstraße 18
D-31785 Hameln
Germany

The technical documentation is maintained by:
Herr Thomas Lossow, ABG Hameln, Germany

declare that the following equipment

Description: Paver Finisher: Mobile paving machine with crawler tracks

Model	Serial Number	Output (kW)	Representative Sound Power Level (LWA)	Guaranteed Sound Power Level (LWA)	Year of CE-Marking
P4820D	VCEP482DA0H730002	98	102 dB(A)	104 dB(A)	2016

in conjunction with paving screed: High Density Screed with Single Tamper System and Vibration Unit.

Type	Serial No.
VB*	S781203677

Remarks: High density screeds are not subject to sound power level limits.

complies with the following relevant directives:

EC Directive „Machinery“ 2006/42/EC
EC Directive „Noise Emission“ 2000/14/EC
EC Directive „EMV“ 2014/30/EC

As well as EC Directive "Low Voltage" 2014/35/EC for electric heating / electric generator

Applied harmonized standards especially:

EN 500-1 and EN 500-

The EN and ISO Standards specified under Chapter 2 of EN 500-1 and 6

The assessment of conformity method used to determine the guaranteed sound power level complies with Article 14 item 2 of the Directive 2000/14/EC.

Notified body: DGUV Test Prüf- und Zertifizierungsstelle Fachbereich Bauwesen Landsberger Straße 309 D-80687 München Notified Body number: 0515

Hameln, 19.07.2016
