

EXTENDED SERVICE PROTECTION PLAN	
MASTER PARTS SCHEDULE	
KOMATSU CONSTRUCTION EQUIPMENT	
<i>This plan provides coverage for the components listed below when a failure occurs due to a defect in material or workmanship, and may provide coverage for additional components not listed when the damage is caused by or resulting from a covered failure of a listed component.</i>	
COVERAGES:	
POWERTRAIN	
ENGINE and all internal lubricated components within Alternator and Starter Belt Tensioner Damper and Vibration Damper Engine Assembly Internal Components Engine Oil Filter Mount Engine Wiring Harness Fan and Pre-Lube Pumps / Motors Flywheel and Flywheel Housing Fuel Coolers Fuel Filter Mounts Fuel Manifolds / Valves Fuel Transfer, Auxiliary, and Lift, Pumps Oil Cooler Power Take Off Senders, Solenoids, and Sensors Valves Engine Components Covered after Emission Warranty EGR Valve and Cooler Electronic Control Modules Fuel Injectors Injection Pumps Intake and Exhaust Manifolds Senders, Solenoids, and Sensors (used in these systems) Turbo Charger Engine Cooling System Cooling Fan, Fan Drive, and Shrouding Senders, Solenoids, and Sensors Thermostat Water Pump Braking System Brake Oil Cooler Assemblies Brake Oil Cooler Fan, Pump, and Motor Wet Brake Assemblies	Transmission Control and PPC Valves Damper Electronic Control Module Hydrostatic Pumps and Motors Oil Coolers, Tanks, and Reservoirs Oil Filter Mount Senders, Solenoids, and Sensors Steering and Transfer Cases Torque Flow Assembly / Power Module Transmission and Torque Convertors Swing Gear Box Drive Line Axles and Axle Housings Axle Mounting and Oscillation Differentials and Final Drive Drive Shaft / Axle Shaft and Universal Joints Valves Steering - (Track Machines Only) Steering Box Steering Clutch Steering Clutch and Brake Control Valve Steering Oil Cooler Steering Pump and Emergency Steering Pump Steering Valves Hybrid Systems Capacitor / Inverter Generator / Motor Hybrid Controller Lubrication Pump Radiator Swing Motor Water Pump Wiring Harnesses
<i>This plan excludes coverage for any failure to any component caused by or resulting from the failure of a component not listed as a covered component, including any resulting damage to a listed component. Further, this plan excludes coverage for any failure as a result of rubbing, chafing, loose or corroded connections or fittings, or any other physical damage. See the Terms and Conditions document for complete plan details and exclusions.</i>	
POWERTRAIN PLUS	
All components listed under Powertrain Coverage, plus:	
Engine Remote Make-Up Oil Tanks Remote Mounted Oil Filtration System Steering Steering Clutch Steering Clutch and Brake Control Valve Steering Pump and Emergency Steering Pump Steering Oil Cooler Steering Valves Steering Box	Hydraulic Systems Electronic Control Modules Hydraulic Accumulators Hydraulic Cylinders Hydraulic Oil Coolers and Cooling Fans Hydraulic Oil Filter Assembly Hydraulic Tanks Hydraulic Valve and Controls Non-Propulsion Hydraulic Pumps and Motors Pipes, Tubes, Clamps, Valves and Hoses Senders, Solenoids, and Sensors Swing Motor Swivels (rotary manifolds)
<i>This plan excludes coverage for any failure to any component caused by or resulting from the failure of a component not listed as a covered component, including any resulting damage to a listed component. Further, this plan excludes coverage for any failure as a result of rubbing, chafing, loose or corroded connections or fittings, or any other physical damage. See the Terms and Conditions document for complete plan details and exclusions.</i>
