

Manitowoc Cranes

USED CRANE INFO GROVE GMK 5250 XL-1

Manufacturer	GROVE
Type	GMK 5250 L-1
Lifting capacity	300USt
Year of construction	2024
Location	Langenfeld, Germany

Technical data of the chassis

Manufacturer	GROVE
Engine	DB OM 471 LA (390kW/530PS) – EUROMOT 5
Drive	10 x 8 x 10 in (lieu of standard 10 x 6 x 10)
Gear box	Mercedes G 280 incl. hydr. retarder
Suspension	MEGATRAK hydropneumatics
Tires	Ten 525 20.5 Steel on/off highway radial tires
Milage	1,595 miles as of 9th March 2026

Serial Number

5250 9652

Technical data of the superstructure

Manufacturer	GROVE
Operating hours	1,374 hours as of 9th March 2026
Boom	44 ft – 257.5 ft
Swing-away fly jib	37ft – 58.4 ft
Hoist	1 x 104 kN
Load moment limiter	GROVE CCS control
Counterweight	89.6 Ust, multipule sections, Hydr. removal system.
Hook blocks	89.6 Ust (3 Sheave), 35ton (1 Sheave)

Miscellaneous:

1x 26.2 ft lattice boom extension, 1x 26.2 ft lattice jib extension, aircraft warning lights, 2 work lights boom mounted, Aux Hoist, Aux Boom nose, Boom Boost/Float Kit, Boom Removal, 20.5 Tires with Steel, add.
