

Extended Warranty AGREEMENT

Hydraulic Extended Warranty

FOREWORD

Hydraulic Extended Coverage is intended to reimburse for defects in material and workmanship of covered components. Coverage for defects in material and workmanship as defined by Attachment "A" (*Warranty Bulletin - Hydraulic Extended Coverage*), means the failure of any original or Cat approved replacement part to work as designed in normal service, providing proper maintenance was received as recommended by the manufacturer in the Operation & Maintenance (O&M) Manual.

The Servicing Dealer shall provide necessary labor and parts as defined by Attachment "A" (*Warranty Bulletin - Hydraulic Extended Coverage*), for the following Caterpillar Machine that runs approximately at: Hour's per Year, with current SMU =

MODEL	SERIAL NO.	START DATE	END DATE
980-14	MK900906, MK900903	19/07/2024	19/07/2028

VALIDITY

As the first year is covered by Caterpillar Standard warranty, this warranty extension will cover the Four Years or up to 10,000 Hours, whichever comes first.

Customer Responsibility

The customer is responsible for assuring all recommended preventative maintenance is performed at the specified service intervals as described in the O&M Manual. Preventative maintenance includes, but is not limited to the servicing, adjusting and/or replacing of specified components.

CHARGES

Extended Warranty Charges are included in the package price of the machine.

ATTACHMENTS

- Attachment "A" – *Warranty Bulletin - Hydraulic Extended Coverage*.
