A. WARRANTY TERMS & CONDITIONS:

(1) This warranty covers parts, labour and replacement of transmission fluid only. Mister Transmission is not responsible for any consequential or incidental damages occasioned by failure of materials or workmanship. Its sole obligation is the repair of the vehicle and cannot exceed the original cost of repairs. It does not cover such things as towing, loss of use, loss of earnings, personal damages, per diem expenses, or any other consequential or incidental damages. Warrantor's obligation under this warranty is limited to replacing or repairing defective parts and correcting defectively furnished labour.

(2) The work performed can many times fail, due to no fault of the warrantor. Under these circumstances, your warranty is not valid. In no way can the warrantor predict these events, and therefore is not responsible for them. A partial list of related parts is set forth in the next paragraph.

The foregoing and other parts are not normally included in or with a transmission repair job.

(4) This warranty will not be valid if the vehicle has been used for towing purposes unless a proper transmission cooler has been installed on the vehicle, nor will it be valid if the transmission assembly has been tampered with other than a qualified repair shop; or if it has been improperly installed by anyone other than the shop of the warrantor; or if factory approved fluid has not been used in the assembly; or if it has been abused, or damaged in an accident.
