This inspection addresses standards of safety and repair that a vehicle must meet as prescribed by the Vehicle Safety Inspection Regulation but does not guarantee these components will comply with the standards for any unspecified future period of time.

Remarks:

I am aware that the above-noted vehicle is unsafe to be operated on a highway until repairs or adjustments have been made to restore it to safe condition and an inspection mechanic has re-inspected the vehicle. Operating a vehicle with a Hazardous defect may result in further enforcement action if confirmed by a Peace Officer. If this vehicle is not returned within 14 days for re-inspection a complete inspection will be required.
