† This odometer reading is inconsistent with the odometer history. This could be due to a typographical, clerical, or rounding error and does not necessarily represent an odometer rollback by itself. If we receive additional odometer history that corroborates an odometer rollback, this display may change and that may impact other aspects of this report and the vehicle's qualifications.

The warranty coverage shown below is an estimate using the best available in-service date, mileage readings, and warranty information. Enter the exact odometer reading below for more accurate results. Experian AutoCheck does not guarantee coverage, please verify these results and coverage details with an authorized dealership.
