

Lot # 26

John Deere 4020 Gas Standard

Description

From 1964 to 1968, **only 66** tractors were built as a 4020 standard gas tractor.

This tractor has a syncro transmission.

Of the 66 tractors, only 52 have the syncro transmission.

The remaining 14 were made with the powershift transmission.

This tractor is **one of 52**.

Comes with a Crenlo cab.

All original tractor; extra rear wheel weights; new batteries, new starter, decent rubber.
