

## **Lot # 27**

### **1964 John Deere 4020 Gas Standard**

#### **Description**

From 1964 to 1968, **only 66** tractors were built as a 4020 standard gas tractor.

Of the 66 tractors, only 14 were made with the powershift transmission.

This tractor is **one of 14** with the powershift transmission.

The remaining 52 have the syncro transmission.

**A rare tractor**; all original, in its working clothes.

#### **Year**

1964

#### **Serial Number**

22T74700

#### **Status**

Starts and runs fine.

Powershift transmission operates as it should.
