ROAD SERVICE - Engine will not start. Check and advise

show up at the location, start checking the truck, hook up scanner tool no active codes found, start checking all possible causes the truck don't run, all fuses at battery location are good, same as engine oil level good also coolant level good, remove primary and secondary fuel filters ,they add ATF fluid on, try to prime fuel system but prime fuel pump leaks fuel ,recommended remove and replace prime pump, before doing other test,,

Description

Subtotal

Total: \$0.00

FUEL PUMPS

2/2/25,,NETO .remove and replace prime fuel pump and lift pump, also prime the fuel filters and fuel lines, after the repair have to jump start the truck truck run at this time,
