

Scrap Board - Glued Polyiso Panel

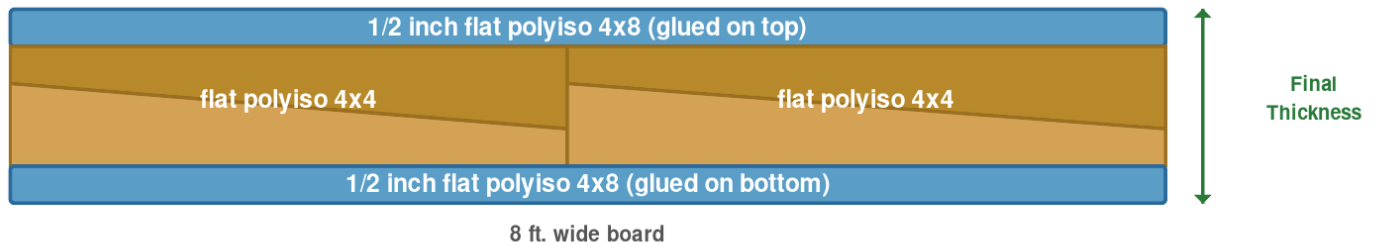

A 4x8 panel made from gluing together four tapered polyiso 4x4s sandwiched between two 1/2 inch 4x8 boards.

Two tapered 4x4s glued together (along angled faces) → flat 4x4

Two flat 4x4s glued between two 1/2 inch 4x8 boards → finished 4x8 Scrap Board

Finished 4x8 Scrap Board (perspective view)
