J. No Credit Items

Warranty claims for the following items will not be accepted:

1. Claims which are a part of the pre-delivery or the normal inspection service schedule furnished by the Company for Dealer use, as referred to in the Operation and Maintenance Manual.
2. Claims involving parts that have been subject to misuse, negligence, alteration, or accident, or which have been used with parts or equipment not made or supplied by CoA and, in the reasonable judgment of the Company, affects the product's performance, stability or reliability.
3. Claims involving normal maintenance services including but not limited to engine tune-up, fuel system cleaning, and wheel brake or external clutch control adjustments.
4. Claims involving normal replacement of service items including but not limited to filters, fuel injectors, and brake or clutch linings.
5. Labor charges performed by anyone except an authorized Dealer, unless they qualify under the provisions discussed in Section III(G)
6. Incidental claims, such as for towing, service calls, and transporting a unit to and from the place where the warranty service is performed.
7. Claims involving a unit damaged in transit or in handling and subsequently sold as a "salvage" unit.
8. Claims involving a unit which was purchased from CoA's used equipment inventory, since such units are sold on an "as is" basis.
9. Claims for replenishment of oils, lubricants, antifreeze, or fluids, excepting where loss or contamination is caused by failure of any power train component; i.e., engine, transmission, and rear axle, acknowledged by the Company to be defective in material or workmanship.
10. Claims for a complete assembly where the combined costs of parts and labor to repair the assembly do not exceed 75% of the replacement cost of the assembly.
11. Claims involving the inspection or reconditioning of units sold to second purchasers or classified as "Demonstrators."
12. Claims for, Ag Leader® yield mapping system, CAMSO®, Headsight®, Caterpillar, Agile Manufacturing, LLC, Trimble®, Reichardt®, and Headsight® and other components directly warranted by the manufacturer.
13. Claims for non-warrantable wearing parts including but not limited to belts, clutches, knives, knife sections, rasp bars, rice drum fingers, APS / rotor paddles, chains, ground engaging components and pickup tines.
14. Claims for glass, light bulbs, sealed beam lights, fuses, touchup paint will not be reimbursed except when failure is due to defective parts or a result of another failure.
15. Diagnosis. The time required to diagnose a particular problem is not reimbursable under warranty coverage.
16. Shop Comebacks. Any duplicate, repeat or comeback repair resulting from improper diagnosis, testing or poor service work; the Dealer is responsible for satisfactory completion of all service work.
17. Claims for freight and handling charges on warranty parts shipments unless otherwise directed by CoA personnel.
18. Claims for overtime labor. Reimbursement for labor performed on units under warranty shall not exceed the Dealer's warranty labor rate previously registered with the company.
19. Claims that used non-genuine CLAAS parts used as replacement parts.
20. Claims to replace or refresh components which have deteriorated due to normal use or exposure.
21. Claims which include unauthorized or unacceptable repair techniques. Repair operations must be performed with the proper tools using the procedures established in the appropriate Repair Manual.
22. Claims for unpainted service parts. Unpainted or prime-painted parts are not considered defective.
23. Items determined by the claim adjudicator to not include sufficient documentation to support a failure of material or workmanship.
