I hereby authorize the labor and materials necessary to perform the services and repairs requested on the above designated vehicle. All parts and labor charges are subject to applicable Ohio sales tax. Customer agrees to pay J's Vehicle Service, LLC for the services and repairs as outlined in any work order, quote, or estimate provided to Customer for the services and repairs requested. Unless otherwise agreed or a credit account has been previously established, payment is due upon completion of the Services via cash, check, ACH, credit card, or wire transfer. An advance deposit of 50% or more may be required for parts or extensive repairs. For those customers with a credit account, payments are due within 30 calendar days of receiving an invoice unless otherwise specified. Late Payment Fee: If a payment is not received prior to midnight on the established payment due date, the client will incur a late fee of 15% calculated upon the total invoice amount owed. The parties agree that this late fee represents a reasonable estimate of the administrative costs and losses associated with late payment and is not a penalty. If the invoice remains unpaid after 45 calendar days past the due date, an interest rate of 1.5 % per month will be added and prorated daily. If non-payment continues, J's Vehicle Service, LLC may pursue legal action to collect the overdue amount, and the customer will bear any associated legal or collection costs.
I agree that J's Vehicle Service and its designees are not responsible for loss or damage to the vehicle or articles left in the vehicle, resulting in fire, theft or any cause beyond their control. I further agree that J's Vehicle Service and its designees are not responsible for delays caused by unavailability of parts or delays in shipments of parts by the supplier or transporter.
Disclaimer of warranties: Any warranties on the products sold hereby are those made by the manufacturer. The seller hereby expressly disclaims all warranties either express or implied, including any implied warranty of merchantability or fitness for the particular purpose, and the seller neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of said products. Any limitation contained herein does not apply where prohibited by law.
I hereby authorize J's Vehicle Service and its technicians to operate the above vehicle on streets, highways or elsewhere for the purpose of testing and or inspection.
An express mechanics lien is hereby acknowledged on the above vehicle for the purpose of securing payment for the Services performed. Any vehicle left on J's Vehicle Service, LLC's property 7 business days after completion of repair or denial of repair will be subject to a $25 a day storage fee.

Special Warranty Notes

~ Motor Homes - Gas Engines: Maximum labor of 25 hours for Completes. Diesel Engines: Maximum labor of 30 hours for Completes; Maximum labor of 25 hours for Running Completes.

† Ambulance, automotive off-highway use, package delivery, police, snow removal, passenger transport, tow truck, shuttle bus, or any vehicle over 1 ton, 18 Months or 100,000 Miles, whichever occurs first. An additional 18-month warranty can be purchased for gas engines, transmissions, transfer cases, & differentials for these applications.

* Marine Labor - Maximum labor of 16.5 hours for Completes;
Because of design limitations, Mercruiser Alpha sterndrives installed on applications with more than 300 hp are not warranted. Mercruiser Bravo sterndrives are warranted up to 500 hp.

** Does not include problems related to fuel components and accessories not installed by JASPER®.

● Maximum labor of 30 hours for Completes; Maximum labor of 25 hours for Running Completes.

✣ Maximum labor for fuel pumps and turbochargers - $150. Maximum labor for electronic fuel injectors - $75 per bank. Maximum labor for all other Running Complete Diesel Engine Accessories is $150.

◊ Go to https://www.jasperengines.com/wp-content/uploads/2025/09/AD-E06-86-784231.pdf for additional warranty information, use of product notice and customer release.

❑ Ford/International 6.0L/6.4L/6.7L/7.3L D.I., Cummins ISB Front Gear Applications, and Duramax 6.6L Complete Diesel Engine Formats have a 2 Year Unlimited Mileage Warranty.

▲ The following air & fuel components (whether installed on a Running Complete Engine or purchased over-the-counter) have a 2 Year Unlimited Mileage Warranty: Bosch injectors & fuel pumps; Cummins B Series/ISB 5.9L & 6.7L injectors & fuel injection pumps; Ford/International 7.3L D.I. injectors, HEUI pumps, & turbos; Ford 6.0L/6.4L/6.7L injectors, HEUI/fuel injection pumps, FICMs, EGR coolers, & turbos; Duramax 6.6L injectors, injection pumps, & turbos. Bosch, Delphi, and Holset air & fuel components for Class 7-8 trucks have a 1 Year Unlimited Mileage Warranty.

NOTE: All labor expense for field repairs, removal and reinstallation shall be determined from hours listed in the current ALL DATA/MOTORS time guide or pre-approved time at the factory approved rate.

NOTE: Some Gas and Diesel Engines include parts and accessories. The warranties are as follows: solenoids, fuel injectors, fuel pumps, water pumps, hydraulic high pressure pumps, sensors, sending units, turbochargers, glow plugs, belts, hoses and other accessories included with the engine have a 1 year warranty, after which time they are considered maintenance items and are not covered by parts or labor. Parts included in installation kits are covered for the time stated by the manufacturer.

Lubricant must be used in applications for which it is provided for warranty to apply.

Buyer specifically acknowledges that the components purchased will require additional accessories/components and must be properly installed or the warranty may be void. The limited warranty will be void and not apply to defects or failures caused by (1) overrevving (2) accident, abuse or an operation for which it was not designed, or alteration, either powertrain, drivetrain or suspension, from the original manufacturer's specifications (3) damaged or inefficient parts, components or accessories not included in the sale (4) dirty or improper installation (5) overheating and/or freeze cracks to blocks, heads or drive cases (6) burned or melted pistons (7) lack of lubricants or fluids (8) extensive corrosion damage to stern drive (9) detonation or preignition (10) burned thrust bearings caused by rear pressure (11) rust, corrosion or damage caused by electrolysis.

Buyer specifically acknowledges that proper maintenance procedures which include, but are not limited to, changing or calibrating, as applicable, the filter, lubricant, harmonic balancer, fan hub, water pump, fuel injectors, fuel pumps, hoses, belts, etc., must be performed as recommended by the original manufacturer or the warranty will be void. Camshaft timing belts must be replaced in accordance with O.E.M. recommendations. JASPER® will not assume any responsibility for the cost of this routine maintenance. Failure to change this belt may lead to internal engine damage that will not be covered by the JASPER Seller Limited Warranty. BELTS, HOSES AND OTHER ACCESSORY PARTS SUPPLIED BY JASPER AS PART OF THE ASSEMBLED PRODUCT, ARE COVERED FOR THE FIRST YEAR OF THE WARRANTY ONLY. Gasket sets provided with gasoline engines have a 1 year Parts Only Warranty.

Proper installation procedures must be followed to avoid accident or injury.

JASPER's limited warranty will end after the expiration of time or mileage from the date of the original invoice. Any repairs or replacement will not extend the warranty. The buyer shall be responsible for all defects, thereafter, regardless of cause.

JASPER's limited warranty is in lieu of all other warranties expressed or implied and **JASPER MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

The buyer must notify JASPER of any warranty claim prior to repair for assignment of an authorization number. The work will be performed either at JASPER's factory or by another selected vendor. It is the sole responsibility of the buyer to pay for such work and, in writing, submit a claim with the alleged defective parts shipped prepaid to JASPER for its review and sole determination.

Buyer agrees that JASPER will not be responsible for (1) incidental or consequential damages (2) lost profits, sales or income (3) injury to person or property (4) oil, antifreeze, fluids or other substances (5) towing charges (6) lift, dock or storage fees (7) telephone calls (8) freight (9) substitute transportation, lodging, etc. (10) unauthorized repairs (11) labor on a gasket kit, oil pump and lifters purchased with a short block engine or gasket kit supplied with a complete engine.

Buyer and seller agree the seller's price is based upon this limited warranty. Buyer and seller also agree the buyer's sole and exclusive remedy against seller on account of breach of contract, warranty or performance shall be for the repair or replacement at JASPER's factory in Jasper, Indiana, of defects in JASPER's factory workmanship or material within the periods of this warranty. The buyer will be responsible for shipment and subject to the limitations and conditions of this warranty.

No benefits or remedies are available under this limited warranty while the invoice for the unit or related services remains outstanding. Warranty credits not used within 1 year against future purchases will be considered void.

Required Initial Lubricant/Fluid Changes

To ensure the long life and continued performance of your remanufactured component, please follow the initial lubricant and fluid changes outlined below, as well as the guidelines of the equipment manufacturer for lubricant and filter changes thereafter.

Gasoline Engines:
Change engine oil and filter at 500 miles (or 10 hours for a marine engine) and then at a suggested interval of every 3,000-4,000 miles or 3-4 months (40 hours or once a season for a marine engine), whichever occurs first.

Transmissions:
Although not required, JASPER® strongly recommends changing transmission fluid and filter after 5,000 miles of highway service or 100 hours of severe service.

Diesel Engines:
Oil and filter should be changed after the first 8-10 hours of highway or commercial service.

Differentials:
Change differential fluid after 5,000 miles of highway service or 100 hours of severe service. Requires lubricant meeting GI-5, 6 or 6 MIL. SPEC. 2105D or 2105E specifications. Use appropriate additive if limited slip version. You may be required to furnish proof of these services when making a claim.

Sterndrives:
Change drive lubricant after first 10 hour break-in period.

Important Product/Warranty Information

Please record for future reference.

This information is for your reference. You are not required to send it to JASPER® for your product to be registered under the JASPER® Limited Nationwide Warranty.

Plan # _____ Stock # 519510 Production # 1554194

Purchase Date 6/4/2026

Mileage at which installed 71,077

Purchased from Jasper Engine & Transmissions

Supplier's Phone Number 1-800-827-7455

The information that follows will outline the steps to take if you should experience a problem with your JASPER component. Our warranty coverage is provided on the inside pages of this guide.

1. Contact the installation facility from which you purchased your component or dial 800-827-7455.
2. Provide the information that you recorded above along with a description of the problem.
3. The component supplier will contact his JASPER distributor or the JASPER offices and the information will be relayed to an engineer at the JASPER Factory.
4. If you should experience a problem away from your home, please call toll free: 800-827-7455. Be sure to provide the above component information and a description of the problem. This service is available 24 hours a day, 7 days a week.
5. Our goal is to treat your situation in a prompt, efficient and courteous manner.
6. For any claim to be considered, prior authorization must be given and alleged defective parts must be returned to JASPER for inspection.

Thank you for your purchase of a JASPER® Remanufactured Product.

JASPER gas and diesel engines, transmissions, transfer cases, differentials, marine products, and performance products, are produced under strict quality control procedures. In addition, JASPER adheres to the measured standards and tolerances of the manufacturer who originally produced the component. The reputation of our company is assured through our active membership in such organizations as the Production Engine Remanufacturers Association, the Automatic Transmission Rebuilders Association, Automotive Service Excellence, Automotive Service Association and the Association of Diesel Specialists.

Your JASPER product should provide the life and performance similar to a new component because it has been **remanufactured,** not rebuilt. All parts have been carefully inspected, machined, re-qualified or replaced.

The JASPER® Premium Service Plan is an additional way we provide you, our customer, with an option of having Premium Warranty Coverage, adding even greater value to your purchase of a JASPER Remanufactured Product, and give you even greater peace of mind as you continue to enjoy your vehicle.

We have created a Premium Service Plan to supply you with coverage that includes Premium Labor Rates and Fluids along with optional Towing and Vehicle Rental. This plan is available for fleets and individual consumers (see plan exclusions).

Our highly trained, in-house, ASE Certified Customer Service Representatives will help you apply this plan to your needs. Should you require warranty coverage, contact our Customer Service Department before beginning work. Authorization must be given by JASPER before any repair work is performed.

Simply call **800-827-7455**. Please have your original Production Number ready when you call.

JASPER® Premium Service Plan Details

The JASPER Premium Service Plan follows the same guidelines and time/mileage periods as the standard warranty of the product you purchased. This Premium Service Plan does not extend to any parts not covered under our standard warranty.

JASPER's recommended installation procedures must be adhered to. Change engine oil and filter at 500 miles (or 10 hours for marine engines) and then at a suggested interval of every 3,000 - 4,000 miles or 3 - 4 months (40 hours or once a season for marine engines) whichever occurs first. Change transmission and differential fluid after 5,000 miles of highway service or 100 hours of severe use. JASPER requires lubricants meeting original equipment specifications. Use appropriate additive for limited-slip differentials.

EXCLUSIONS:

- This program excludes vehicles that have been altered in suspension or modified from the original manufacturer's specifications, industrial applications and/or short block gas engines and short block diesel engines.
- Does not cover repairs caused by failure of non-included parts, altered units or add-on parts. This agreement also does not cover overheating, detonation, lack of proper maintenance, wear and tear, improper installation, improper fluid levels or contamination of fluids. This agreement also does not include fire, collision, theft or other damages or casualties not associated with the remanufactured JASPER product.
- Does not provide for regular maintenance or if the vehicle's odometer has been tampered with, or for loss of use, inconvenience or other consequential loss or for any repair work not authorized by JASPER.
- This service agreement gives you specific legal rights. You may also have other rights that vary from state to state.
- If JASPER elects to replace your unit with another remanufactured unit, the replacement is considered to be a repair of the original unit and does not extend the warranty above or beyond the original date or mileage of installation.

For any other questions on provisions and requirements of the JASPER Premium Service Plan, contact one of our highly-trained ASE certified Customer Service Representatives at 800-827-7455.

How the Premium Service Plan adds VALUE for you...

- Premium Labor Rates – Labor will be reimbursed upon the ALL DATA/Motors book time guide at a Premium Labor Rate – choose whichever plan best suites you (see next page).
- Towing – JASPER will reimburse up to $125.00 (per occurrence) for towing.
- Rental – JASPER will reimburse up to 10 days of rental at a maximum of $70.00 per day for vehicles – just supply us with the rental agreement.
- Fluids – JASPER will reimburse fluid costs up to $75.00 for gas engines; up to $100.00 for transmissions; up to $50.00 for differentials (if fluid is not provided by JASPER); and up to $115.00 for diesel engines.

JASPER® Premium Service Plan

If a Premium Service Plan was not purchased with your JASPER Product at the time of order, please contact us at **800-827-7455 ext. 12532** within 45 days of the original purchase date to add a plan.

Gas Engine for Vehicles One Ton & Smaller

☐ PSP-GAS140	Retail $308	Premium Labor: Up to $140/Hr	Fluids: Up to $75
