**Ceramic protection from
the elements. All the elements.**

Its revolutionary silicon dioxide (SiO₂) and titanium dioxide (TiO₂) blend goes on lightning fast, wet or dry. And creates a game-changing, ultra-durable, super-hydrophobic barrier between your car and a world of mess. Coating and caring for your vehicle has never been easier or more affordable. Join the revolution.

Quality – Safety – Strength

A photograph of a multi-level car lift system in a well-lit garage. The lift is holding several classic cars: a white Ford Mustang on the top level, a red Ford Bronco on the middle level, and a black Ford Mustang on the top level. On the ground level, there is a blue Chevrolet Corvette, a red classic convertible, and a blue classic pickup truck. A Texaco logo is visible on the wall in the background.

763-300-5730 • AdvantageLifts.com

The logo for Advantage Lifts, featuring a stylized red car icon above the text "ADVANTAGE LIFTS" in a bold, sans-serif font. Below the text are the words "Quality", "Safety", and "Strength" in a smaller font, separated by vertical lines.

Quality Safety Strength

ENJOYED EVERYPLACE. MADE IN ONE.

LIVE FREELY. DRINK RESPONSIBLY.
