This Vehicle's Glossary[Back To Top](#)

More information is available in the full [AutoCheck glossary](#).

**Term** - State Title Brand

**Section Location** - Vehicle History at a Glance

**Definition** - A "branded title" is an official designation assigned by a state agency to associate a particular history with a vehicle. The branding system was put in place to warn potential owners about damage or other alterations to a vehicle that they might otherwise have been unaware of. The brands checked in this section are Fire, Hail, Flood, Junk/Scrapped, Lemon, Salvage, Rebuilt/Rebuildable, Odometer Brands (not actual miles, broken odometer, exceeding mechanical limits, mileage discrepancy, or suspect miles). Please note Grey Market and Insurance Loss or Theft brands are not checked in this box and can be found on other corresponding boxes.

**Term** - Auction Issue

**Section Location** - Vehicle History at a Glance

**Definition** - This section summarizes any issues if reported such as damage condition from seller's disclosure or during the inspection process including required structural damage disclosure, title brands, odometer issues, etc. as outlined by the [2023 National Auto Auction Association Policy](#).

**Term** - Accident/Damage Check

**Section Location** - Vehicle History at a Glance

**Definition** - This section summarizes vehicle history events that may indicate an accident or damage and associated details such as point of impact, severity or airbag deployed if provided. These damage events will include collision damage information, police-reported accidents, salvage auction, recycler records, crash test vehicles, collision damage claims etc. including our exclusive auction announcements from two major auctions that may include damage events. There is also a clearly delineated section that includes non-collision damage events such as fire, hail or flood. Damage-indicated title brands will be in the state title brands section.

**Term** - Insurance Loss/Title Transfer

**Section Location** - Vehicle History at a Glance

**Definition** - This box checked to see if there is an insurance total loss or if a title has been transferred to an insurance company name as that event usually signifies that it is a total loss when showing after an accident.

**Term** - Additional History

**Section Location** - Vehicle History at a Glance

**Definition** - This section lists any other significant events that may not be a damage event or brand, but does give additional insights of the vehicle's history. These include abandoned, grey market, lien check, repossessed, theft etc.

**Section Location** - Vehicle History at a Glance

**Term** - Salvage

**Section Location** - State Title Brand

**Definition** - A salvage vehicle is a vehicle that has been wrecked or damaged beyond repair; declared a total loss by the insurer; or declared a total loss by reason of theft. If the owner retains possession of a salvage vehicle, the owner must obtain a Salvage Certificate before receiving a total loss statement from the insurance company.

These vehicles must also pass a state safety inspection before being allowed back on the road.

**Term** - Loan/Lien

**Section Location** - Additional History

**Definition** - A loan/lien is the legal right to take and hold or sell the vehicle of a debtor as security or payment for a debt. Normally, a vehicle will have a lien due to a loan or unpaid repair bill against the vehicle. Check with the seller to ensure that the lien has been satisfied.

**Term** - Corrected Title

**Section Location** - Additional History
