

Tank Clean Certificate

Certificate Number:

Date: 3/17/26

Tanker Owner: Clean Harbors Environmental Services

Tank Number: 68341T

Last Reported Cargo:

This is to certify that on 3/17/26 tanker 68341T underwent a cleaning that consisted of a scraping and removal of contaminated materials from the interior surfaces of the tank. All reasonable efforts were made to ensure the tanker was free of contaminants.

Upon completion a visual inspection, the interior of the tank and valves were found to be visually clean and free of contamination.

I hereby certify all reasonable efforts were made to remove contaminants from the interior of tanker 68341T.

Cleanharbors Environmental Services.
