Dear Auto Trac Alignment

Thank you for choosing our service department to handle your vehicle's service needs. In order to provide the quality service you deserve, we have invested in the latest diagnostic equipment and information systems. These help us fully understand your vehicle's service and maintenance requirements so that we can service your vehicle in the most comprehensive and economical way possible.

We are pleased to present to you a "Vehicle Report Card". It's important to us that you leave our dealership with peace of mind, so we take the extra time necessary to analyze your vehicle's health to make sure it is operating at its optimum levels. This complete inspection report will help you better understand your vehicle's performance and health. Staying on top of your vehicle's wellness is vitally important to ensuring your safety on the road.

To help you understand what your vehicle needs to stay in top operating condition, we:

- Perform a visual inspection on your vehicle every visit
- Review your vehicle's maintenance schedules
- Make recommendations and create a estimate for your vehicle
- Offer a complete easy-to-read and understand report that enables you to make an educated decision for your vehicle's service needs

Thank you for this opportunity to assist you. We appreciate your business. Please feel free to contact your service advisor if you have any questions or concerns. We will do all in our power to put your mind at ease and keep you and your family safe on the road.

Sincerely,

Windsor Motors
