The adhesive that we use to attach the windshield to the body takes time to set. In order to allow the adhesive to set sufficiently before driving your vehicle, please follow the instructions below:

1. Minimum drive-away time; vehicle should not be driven for at least 30 minutes after installation completed unless technician has stated, in the space below, that a different minimum drive-away time applies.

   DO NOT DRIVE THE VEHICLE BEFORE 11:14

2. After the installation, you should not do anything that could interfere with the adhesive setting process such as pushing against, touching or otherwise testing the glass or adhesive.

3. You should not take the vehicle through a car wash for first 24hours after installation. If these instructions are not followed, adhesive might not set or retain glass sufficiently, which could cause accident or damage to vehicle, or increase the risk of injury if vehicle is involved in a collision.

NDSHIELD INSTALLATION: The warranty is not transferable or redeemable for cash, the installation is warranted against leaks and windshield manufacturing defects. (See the next page.)

Quelle est la responsabilité du propriétaire du véhicule?

Bien qu'il n'y ait pas de date limite associée au rappel ou aux rappels susmentionnés, le propriétaire du véhicule est tenu d'y donner suite dans un délai raisonnable. Ford Motor Company se réserve le droit de refuser de couvrir tout dommage au véhicule imputable à l'omission d'effectuer le ou les rappels en temps opportuns. Par conséquent, assurez-vous de faire effectuer ces entretiens dans les plus brefs délais.

Vous n'êtes plus propriétaire du véhicule?

Il se peut que vous ne soyez plus le propriétaire de ce véhicule. Les constructeurs automobiles sont tenus par la loi d'aviser les propriétaires actuels de tout rappel visant leur véhicule. La politique de Ford consiste à envoyer des lettres de suivi aux propriétaires des véhicules sur lesquels le rappel n'a pas été effectué. La vérification de la propriété d'un véhicule se fait principalement à partir des dossiers provinciaux ou territoriaux d'immatriculation des véhicules automobiles. Lorsque cette lettre de suivi a été envoyée, vous étiez le propriétaire enregistré du véhicule.

Vous n'êtes plus propriétaire du véhicule? (suite)

Veuillez noter qu'avant d'envoyer tout autre avis de rappel, Ford recueillera les renseignements d'immatriculation du véhicule et avisera le propriétaire indiqué au dossier à ce moment. Vous pourriez donc continuer de recevoir ces lettres de suivi.

Si vous n'êtes plus propriétaire de ce véhicule et que vous connaissez l'adresse du propriétaire actuel, veuillez lui transmettre cette lettre.

Si vous avez loué ce véhicule à une autre personne ou à une société, veuillez informer le locataire de ce rappel sur-le-champ.

Si vous n'êtes plus propriétaire du véhicule visé et que vous ne connaissez pas l'adresse du nouveau propriétaire ou locataire, aucune action n'est requise de votre part.
