Estimates and Variations

All quotes or estimates provided by R&S Services Pty Ltd T/AS Maude Diesel Service (“the Company”) are provided as a *guide only* and are based on the information available at the time of inspection or enquiry. While we strive to be as accurate as possible, unforeseen issues may arise during the course of the work that can affect the scope, duration, and cost of the job.

The Company reserves the right to revise the initial estimate if additional parts, labour, or time are required due to circumstances beyond our control, including but not limited to: hidden damage, additional diagnostics, parts availability, or client-requested changes.

By engaging our services, the customer acknowledges and agrees that:

- Estimates are not fixed prices.
- Final costs may exceed initial estimates.
- The Company will not be liable for any additional expenses incurred due to these variations.
- The customer remains responsible for all costs associated with the completed work, including any variations from the original estimate.

We will make reasonable efforts to inform the customer of any significant changes to the estimate as soon as they become apparent.
