ICBC Disclaimer
The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:
- vehicles failing to meet complete or salvage
- salvage vehicles which have been rebuilt, inspected, and released
- vehicles which have been discontinued and can only be used for parts
The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary cause of damage.
Consumers are encouraged to read ICBC's full statement of limitations at: <https://www.icbc.ca/consumers/vehicle-claims/limitations.html>.
ICBC recommends the vehicle be inspected by a qualified mechanic to detect or know complete assessment of the vehicle's condition.
