**Customer Instructions**

RUSH - Repair 2 Tigercat Stick Cylinders  
Seal Kits, Bushings, and Pin Wipers supplied by customer, MMC to supply DU Bushings  
Picked up by Kody 9/10/25

**Work Performed**

2 New rods, machined off stuck piston & make new piston, barrel eyes stretched - build up and bore, rod eyes out of round - build up and bore.  
Customer attempted to supply new piston, but 2 had wrong thread sizes. Right piston was 3 months back ordered. Sample piston was not same length, so had to disassemble 1 cylinder and remove piston and packing to measure to make new piston. MMC ordered and supplied new piston packing for both cylinders.
