## Open Recalls

Recall #: N192264501 | CMVSS 208 Occupant Crash Protection – Canada Only    Recall Date: 2019 Sep 06

**Recall Description**

General Motors has decided that certain 2019 model year Chevrolet Express and GMC Savana vehicles may fail to conform to S7.3 of Technical Standards Document (TSD) No. 208 of Canada Motor Vehicle Safety Standard (CMVSS) 208, Occupant Crash Protection. In these vehicles, the seatbelt-unfastened telltale and the airbag- readiness indicator will not illuminate for approximately five seconds after the ignition is moved to the on or start position. There is no impact to the vehicle's seatbelt or airbag systems, and the telltales will function normally after the five-second delay. During the five-second delay, the telltale will not alert the driver that the driver's seatbelt is unbuckled or complete the airbag indicator readiness bulb check. There is no delay in the activation of seat belt warning chimes.

**Remedy**

Dealers will reprogram the instrument panel cluster (IPC).

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact GMC or visit [GM's website](https://my.gm.ca/gm/en/recalls). (https://my.gm.ca/gm/en/recalls)

## Stolen Vehicle Check

✔ This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
