This vehicle history report is based on information (https://www.carfax.ca/vehicle-history-data) that was reported and available to CARFAX Canada as of October 10, 2025 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. There may be other information about this vehicle that has not been reported to CARFAX Canada. When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Open Recalls

Recall #: U04 | 2009-2012 DS/DX FRAME BRACKET Recall Date: 2018 Mar 16

Recall Description

The front fuel tank strap frame T -Slot bracket on the above-mentioned vehicles may corrode permitting the front fuel tank strap to detach. With the front fuel tank strap detached, the rear strap primarily secures the fuel tank, however, the front of the fuel tank may be allowed to lower several inches.

Remedy

FCA US will conduct a voluntary safety recall to install a fuel tank strap reinforcement bracket on all of the involved vehicles. If the fuel tank strap is found to be disconnected from the original frame bracket, the front and rear fuel tanks straps as well as the locking nuts, will be replaced.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact DODGE or visit **Dodge's website**. (https://www.mopar.com/en-ca/my-vehicle/recalls/search.html)

Stolen Vehicle Check

This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers or external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantablity, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
