This vehicle history report is based on **information** (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of **July 17, 2026** (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Vehicle History Report

Accident/Damage

INCIDENT DATE	DETAILS	AMOUNT
 2007 Feb 13	n/a	
	Accident Reported: Accident reported	
 2024 Aug 5	Alberta, Canada

Open Recalls

Recall #: 80C | - Certain 2004 - 2006 Sienna Vehicles Equipped W/ Power Back Door (Power Rear Liftgate)

Recall Date: 2008 Jun 03

Recall Description

Toyota has determined that the gas struts used to help lift and support the Power Rear Liftgate in certain 2004 through 2006 model year Sienna vehicles could be wearing out sooner than expected. As the gas struts deteriorate, the performance of the Power Rear Liftgate will begin to degrade, and the Power Rear Liftgate will operate more slowly than when the gas struts were new. Only Sienna vehicles equipped with the Power Rear Liftgate are involved.

Remedy

Toyota dealers will replace the Power Rear Liftgate struts with newly designed ones at NO CHARGE to the vehicle owner.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been

closed, please contact TOYOTA or visit [Toyota's website](https://www.toyota.ca/toyota/en/owners/recalls). (https://www.toyota.ca/toyota/en/owners/recalls)

Recall #: B0M | - Certain 2004 and 2005 MY Camry, Camry Solara, Highlander, Sienna, Solara, certain 2004 MY Avalon, certain 2005 and 2006 MY Highlander HV Vehicles-1MZ-FE/3MZ-FE V6 Engine Cranks

Recall Date:
2011 Nov 09

Recall Description

Toyota is recalling certain Model Year 2004 Avalon vehicles; 2004 and 2005 Camry, Camry Solara, Highlander, and Sienna vehicles, 2006 Highlander Hybrid; 2004 and 2005 Lexus ES330 and RX330; and 2006 Lexus RX400h vehicles manufactured from June 1, 2004 through March 31, 2005, equipped with the 1MZ-FE or 3MZ-FE engine. The amount of adhesive agent applied between the outer ring and the torsional rubber damper (inner ring) in the crankshaft pulley may be inadequate. If the adhesive is insufficient, there is a possibility that the outer ring may become misaligned and it may not properly rotate with the inner ring, causing noise and/or illumination of the battery discharge indicator light.

Remedy

Toyota will notify owners, and dealers will check the crankshaft pulley to identify whether it was produced by the U.S. supplier. If so, the dealer will replace the pulley with a new one at no charge. Owners may contact Toyota at 1-800-331-4331.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact TOYOTA or visit [Toyota's website](https://www.toyota.ca/toyota/en/owners/recalls). (https://www.toyota.ca/toyota/en/owners/recalls)

Recall #: D0R | Remedy Notice - Certain 2004 to 2005 and Certain 2007 to 2009 MY Sienna Vehicles - Shift Lock Solenoid

Recall Date: 2013 Sep 26

Recall Description

Toyota is recalling certain model year 2004-2005 Sienna vehicles manufactured January 10, 2003, through August 10, 2005; and model year 2007-2009 Sienna vehicles manufactured February 20, 2007, through December 12, 2008. In the affected vehicles, due to a problem within the shift lock solenoid, there is a possibility that the shift lever could be moved out of park position without depressing the brake pedal.

Remedy

Toyota will mail interim notifications to owners beginning in late October 2013. When parts are available, owners will be sent a second notice and dealers will replace the shift lock solenoid, free of charge. Owners may contact Toyota at 1-800-331-4331.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact TOYOTA or visit [Toyota's website](https://www.toyota.ca/toyota/en/owners/recalls). (https://www.toyota.ca/toyota/en/owners/recalls)

Stolen Vehicle Check

✓ This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada. <https://www.carfax.ca/about-carfax/privacy-legal/conditions-of-use>
