Re: Certification of Liebherr AT crane
Model: LTM 1080/1 Serial: 061443
Year: ---- Capacity: 100 tons
Unit: VG21
Stony Inspection Services Job: 56967

Dear Sir/Madame:

An inspection of the structural elements of the above AT crane was completed by Stony Inspection Services, acting under our direction (Stony Inspection Services Job 56967, dated 12 March 2025, copy attached). The inspection was structural only; no load tests or operational tests were performed. In addition to this structural inspection, the owner and operator are responsible for complying with original equipment manufacturer specifications, OH&S regulations, and the applicable CSA Z-150 and/or ASME B30.5 codes with respect to all inspection, maintenance, and operations of the unit.

Based on this inspection, the above unit is considered structurally fit for continued service.

Yours truly,

59847
