This vehicle history report is based on information (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of December 04, 2025 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Vehicle History Report

Accident/Damage

INCIDENT DATE	DETAILS	AMOUNT
🕒 2011 Oct 7	Alberta, Canada	
	Police Reported Accident: Accident reported Damage to left side	

Registration

- ✔ This vehicle has been registered in the province of **Alberta** in **Canada** with **Normal** branding.

We checked for: Inspection Required, Normal, Non-repairable, Rebuilt, Salvage and Stolen.

Open Recalls

Recall #: N212328780 | Front Passenger Airbag Takata Inflator - Priority Group 8 Recall Date: 2021 Feb 05

Recall Description

TK Holdings Inc. ("Takata") has decided that a defect which relates to motor vehicle safety exists in the passenger-side frontal airbag inflators installed as original equipment in certain 2007 to 2014 model year Cadillac Escalade, Escalade ESV, and Escalade EXT vehicles; certain Chevrolet Avalanche, Silverado 1500, Silverado 2500/3500, Suburban, and Tahoe vehicles; and certain GMC Sierra 1500, Sierra 2500/3500, Yukon, and Yukon XL vehicles. The determination was made that the propellant in these inflators may degrade after long-term exposure to high humidity and temperature cycling, which could cause the inflator to rupture during a deployment.

Remedy

Dealers will replace the passenger-side frontal airbag inflator.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact CHEVROLET or visit GM's website. (<https://my.gm.ca/gm/en/recalls>)

Recall #: N090270 | SDM RETAINING MOISTURE Recall Date: 2009 Oct 19

Recall Description

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2007-2009 model year Chevrolet Silverado and GMC Sierra vehicles. Some of these vehicles may have a condition where the sensing and diagnostic module (SDM), located beneath the driver's seat, may corrode due to a significant quantity of snow and/or water containing road salt or other contaminants entering the vehicle and saturating the acoustical padding beneath the carpet. The SDM is located under the driver's seat underneath the acoustical padding.

Remedy

2GCEK133081217236

Dealers are to remove the acoustical pad above the SDM, inspect the SDM, and replace the SDM, if necessary.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact CHEVROLET or visit GM's website. (<https://my.gm.ca/gm/en/recalls>)

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
