Inspection Date: December 4, 2024
Job # 4920

Reinspection Date: December 4, 2025

Make: Genie
Model: Z-45/25
Serial: Z452505-26560
Unit: N/A
Color: Blue
Capacity: 500 Lbs
Year: 2005

This letter is to certify that the technical personnel of Alpine NDT Services Inc. performed a Visual and Magnetic Particle Inspection on the above-mentioned unit.

The undersigned Engineer examined the inspection reports prepared by the Technician from Alpine NDT Services Inc.

This certification is valid for a period of one year or until the unit has been damaged either as a result of operation, transportation or handling. Non-engineered structural modifications to the unit will void this certification.
