RE: Inspection of an Articulating Manlift

Inspection Date: September 3, 2025
Job # 5290

Reinspection Date: September 3, 2026

Make: Haulotte
Model: HA46JRT
Serial: AD126034
Unit: 9
Color: Yellow
Capacity: 507 Lbs
Year: 2014

This letter is to certify that the technical personnel of Alpine NDT Services Inc. performed a Visual and Magnetic Particle Inspection on the above-mentioned unit.

The undersigned Engineer examined the inspection reports prepared by the Technician from Alpine NDT Services Inc.

This certification is valid for a period of one year or until the unit has been damaged either as a result of operation, transportation or handling. Non-engineered structural modifications to the unit will void this certification.
