ENGINEERING CERTIFICATION

Equipment	Side Boom	Job/Report #	DS-0971
Make	John Deere	Inspection Date	May 23, 2025
Model	450G	Inspection Due	May 23, 2026
Serial Number	783208	Unit#	92-640
Capacity	Refer to OEM Specifications		
Inspector Name (NDT)	Darrell Spence		
Applicable Notes			

Icon Energy Services Ltd's technical staff performed a non-destructive examination of accessible structural load bearing components on the aforementioned equipment in accordance with Icon Energy Services Ltd's procedures, industry standard practices, and/or OEM recommendations as applicable. Upon final inspection of the equipment and any repairs recommended or performed, no unacceptable defects were noted.

Based on the results of our final inspection and assessment, it is our opinion that the aforementioned equipment is safe for use provided routine maintenance is performed according to the original equipment manufacturer's specifications.

This Certification is Valid for 1 Year
