ENGINEERING CERTIFICATION

EQUIPMENT: CRANE TRUCK
MAKE: WELDCO
MODEL: HL30TC70
SERIAL: 3W1565
OWNER: BIG J CRANE
OWNER UNIT #: 102
CERTIFIED DATE: April 14, 2026

Based on thorough inspections performed by Slick Inspection Ltd. on April 9, 2026 described in Slick Equipment Inspection Report No. 26-309, I certify that the critical structural, mechanical and control components of the inspected equipment are safe for continued use: in accordance with CSA Z150-11 Section 5.3.2.2 which requires an annual inspection, complete inspection if damaged or disassembled, and telescopic boom magnetic particle inspection every five years.

Equipment must be maintained in accordance with manufacturer's recommendations, operated in safe procedure without exceeding rated capacity. This certification is not transferable to new owner. This certification is valid for a maximum period of one year from the inspection date. The unit is to be reinspected if it sustains damage to a structural area and under any approved repairs.
