EQUIPMENT CERTIFICATION

Equipment:	Spreader Bar
Manufacturer:	Myshak Sales and Rentals Ltd.
Model:	8' to 13'
Capacity:	48 Ton
Serial Number:	MF-813J

The above spreader bar was examined in detail on January 21, 2026 at Bry-Line Crane Service's shop in Red Deer. Magnetic particle and/or visual inspections were completed on all accessible areas of the main bar, extension bar, lift lugs, and pin holes.

Based on the inspections, it is our opinion that the unit is safe to operate within its rated capacity when used in accordance with the manufacturer's specifications and/or industry standards.

This certification is valid for a period of 1 year or until the unit has been damaged structurally by either handling or operation. Unengineered structural modifications to this unit will void this certification.
