CERTIFICATION OF STRUCTURAL INSPECTION

Equipment:	Articulating Crane	RFI Report Number:	NDT35909-01
Make:	HIAB	Inspection Date:	April 24, 2026
Model:	077 ES-4 CLX	Inspection Due:	April 24, 2027
Serial Number:	BL077CL00291	Unit 1:	PT-001
Capacity:	2800 kgs	Unit 2:	N/A

On April 24, 2026, our technical staff non-destructively examined the aforementioned equipment in accordance with Red Flame Industries procedures and industry standard practices. Upon final inspection of the equipment and any repairs recommended or performed, no unacceptable defects were noted.

Based on the results of our final inspection, it is our opinion that the inspected components are safe for use within the original manufacturer's specifications.

This certification is valid for a period of 1 year or until the equipment has been damaged by handling, transportation, or operation.

EGBC Permit Number 1000837 APEGA Permit Number P8717
