ENGINEERING CERTIFICATION

EQUIPMENT: PICKER TRUCK
MAKE: Palfinger
MODEL: PK 23002
SERIAL: 100140757
OWNER: Newforce Energy Services
OWNER UNIT #: PT-25
CERTIFIED DATE: September 3, 2025

Based on the Equipment Inspection Report (#25-0066) submitted by Mezei Inspection Ltd. On 3 Sept, 2025, it has been determined that there were no indications of cracked or damaged welds on the equipment and it has been found to be suitable for service.

I certify that all welds that have been examined by Mezei Inspection Ltd. conform to industry standards. This certification is valid for a maximum period of one year from the inspection date. The unit is to be re-inspected if it sustains damage to a structural area.
