

Warranty Plus.

Extended coverage for on-highway engines.

Warranty coverage you can depend on.

Cummins provides peace of mind by offering both standard and extended warranty packages that cover 100 percent of parts and labour costs for covered parts.

Not all extended warranty packages are the same. When comparing Cummins Warranty Plus with other engine warranties make sure you consider exactly what is being covered. Remember, with Cummins Warranty Plus there are no excess charges for any warrantable repairs.

Next time you purchase a new vehicle, ask your dealer to quote on Cummins Warranty Plus coverage for your application.

Warranty Plus inclusions:

- No overtime premium for mission disabling failures.
- Towing included for mission disabling failures.
- No deductible charges or fees per visit.
- Fully transferable at no additional cost.
- Flexible coverage options tailored to suit your application.
- All gaskets and seals covered.
- Coverage available up to 1.2 million km / 600,000 litres fuel burn.
- No mandatory component change out.
- Maintenance item coverage up to 300,000 litres fuel burn (up to 600,000 litres depending on PM).
- Major components coverage covers both parts and labour costs.

Warranty coverage. The choice is yours.

Warranty coverage options		Warranty period				Inclusions	Repair costs	
		Years	Km	Hr	Fuel burn/litres		Parts	Labour
Cummins Base Engine Warranty	Standard Warranty	2	Unlimited	-	-	As per bulletin: 3381265 (ISB)	No charge	No charge
Cummins Base Engine Warranty	Standard Warranty	2	402,336	6,250	-	As per bulletin: 3381669 (ISM/ISX) 3381349 (ISC/ISL)	No charge	No charge
Cummins Base Engine Warranty - major components coverage for ISM and ISX engines	Standard Warranty	5	804,672	12,500	-	As per bulletin: 3381669 (ISM/ISX) Covers major components including: - Camshafts and following assemblies - Cylinder block - Cylinder head casting and bolts - Crankshaft - Main bearing bolts - Gear train gears - Connecting rods and bolts	No charge	No charge
Warranty Plus Extended Coverage	Flexible options tailored to suit your application	Up to 5	Up to 1,200,000	Up to 18,000	Up to 600,000	See terms and conditions over page	No charge	No charge

Warranty Plus terms and conditions.

- Warranty Plus cover must be purchased within six months of the new engine date in service. Can be applied up to expiration of the base engine warranty period – additional fees apply.
- The engine must be maintained in accordance with Cummins South Pacific recommended maintenance schedules and operation manuals.
- The purchased extended coverage program covers failures caused by defective material and/or factory workmanship. Normal wear and tear, abuse, neglect and accidental damage will not be covered by this extended coverage program.
- Maintenance items are covered for:
 - ISM, ISX / Signature 300,000 litres fuel / 600,000 km or 9,000 hr
 - ISC / ISL 105,000 litres fuel / 430,000 km or 7,000 hr
 - ISB 250,000 km or 5,000 hr
- Customers have the option of replacing any or all of the maintenance items listed in the table below as part of a preventative maintenance schedule. Any or all items replaced by the customer as preventative maintenance will retain full coverage until the expiration of the purchased package. Maintenance item replacement is not a mandatory requirement. Components listed below not replaced as part of preventative maintenance will not attract coverage beyond the maintenance item coverage period.

ISB/ISL	ISM	ISX / Signature
Fuel injectors	Fuel injectors	Fuel injectors
Water pump	Select fuel pump	Fuel gear pump (excludes ISXe5)
Drive belt idler pulleys and tensioners	Water pump	Water pump
Turbocharger	Drive belt idler pulleys and tensioners	Drive belt idler pulleys and tensioners
Air compressor	Turbocharger	Turbocharger
Engine sensors	Air compressor	Air compressor
Engine brake control valves & springs	Engine sensors	Engine sensors
AdBlue® dosing pump (ISBe5 / ISLe5 only)	Engine brake control valves & springs	Fuel dosing injector (ISX EGR only)
Fuel dosing injector (if applicable)	AdBlue® dosing pump (ISM e5 only)	AdBlue® dosing pump (ISXe5 only)
		Engine brake control valves & springs

- Belts, fan hubs and clutches, hose and clamps and wiring harnesses are not covered under this extended coverage program. Internal engine wiring harnesses are covered.
- Starters and alternators are not covered under this extend coverage program.
- Cummins will pay reasonable costs for towing a vehicle disabled by a warrantable failure to the nearest authorised repair location. In lieu of towing expense, Cummins will pay reasonable travel costs, including meals, mileage and lodging, when the repair is performed at the site of the failure. Downtime, vehicle hire, cargo damage or other commercial costs are the customer's responsibility.
- Reasonable technician overtime costs are covered when a mission disabling failure occurs outside of standard business hours.
- This extended coverage program is transferable with change of owner. The coverage stays with the vehicle if the engine is changed out and continues until the warranty coverage expires.
- Coolant, lubricating engine oil and all engine filters must meet Cummins recommended engineering standards.
- All warranty repairs covered under this extended warranty program are to be carried out at a Cummins branch or Cummins Authorised Dealer unless prior authorisation has been given by Cummins.
- Oil consumption will not be covered beyond the base engine warranty period.
- Warranty Plus is only available for ISB, ISC, ISL, ISM, and ISX / Signature engines at ADR80/00, ADR80/02, ADR80/03 and Euro 5 emissions level.
- Exhaust aftertreatment components are not covered beyond the base engine warranty.

Cummins deliver unmatched industry support with the largest service and support network in Australia and New Zealand.
