Dear Permit Holder or Owner,

You are receiving this email because your Safety Codes permit is now closed.

A copy of your Permit Services Report and/or supporting documents are attached to this email.

Keep the Permit Services Report for your records as documented proof that the work was permitted, completed, and complied with the Safety Codes Act.

If your permit is closed non-compliant, non-compliances remain on the registry and may affect future property sales, development, insurance, and/or financing. To re-open your permit for verification of compliance, contact The Inspections Group Inc.. An additional fee may be associated with re-opening your permit.

If you have any questions regarding the attached document(s), please contact The Inspections Group Inc..

Regards,

The Inspections Group Inc.
