Notice of ICU Change

Date: May 20, 2026

Panorama Agra LTD

This letter is to state that Greyn Fertilizer Replaced the ICU (instrument control unit) on the 2015 4530 purchased by [REDACTED] due to a fault in the old ICU. The ICU was changed at 2391 Hours. The original ICU is behind the seat of the truck. The old hours can be read on the current ICU by pressing and holding the reset button.

Larry Greyn
