Operational Condition Delivered
 To North Van

The performance characteristics of the machine are largely dependent on the condition as well as the operating environment. It is recommended to discuss thoroughly with your sales/rentals specialist all the details of your application to ensure that your performance expectations are met. Please note that the hour meter reading on each equipment quote does not imply original frame hours. For confirmation on whether a unit has original hours, please consult with your sales representative.

Price	\$ 46,900.00
Lease Rate	\$1278.18 (36 months) \$1021.26 (48 months) \$868.12 (60 months)
