GENERAL CONDITIONS

1. THE Vendor shall not be responsible for failure or delay in making the Goods available for collection due to fires, floods, strikes, transportation difficulties, shortage of or inability to obtain necessary materials or labour, or any other causes beyond the Vendor's reasonable control. The existence of any such cause of delay shall extend the time for performance to such extent as may be necessary to enable the Vendor by the exercise of reasonable diligence to make Goods available for collection, provided however that if such delay shall exceed thirty (30) days from the preferred collection date, the Vendor may cancel this order and the Vendor shall then have no other or further liabilities to the Purchaser other than to return to the Purchaser any deposit paid by the Purchaser to the Vendor. The Purchaser otherwise acknowledges and agrees that risk in the Goods passes to the Purchaser upon the Purchaser's collection of the Goods from the Vendor.
2. THE total net purchase price shown on this Order (subject to clauses 5 & 6 below and to subsequent changes by agreement) shall be due and payable to the Vendor by the Purchaser at the time the Goods are collected from the Vendor or at such time as the Purchaser is notified that they are available for collection (whichever is the earlier date) subject to any contrary written arrangement signed or otherwise accepted by the Vendor and the Purchaser.
3. FOR a material breach of any agreement by the Purchaser, the Vendor may at its option terminate this Contract and may sue the Purchaser for damages and may retain any deposit paid by the Purchaser, or the Vendor may otherwise enforce the terms of the agreement. The Purchaser agrees that:
 - a. the amount of any deposit retained by the Vendor under this clause 3 represents fair and genuine pre-estimation of the loss (or any part thereof) suffered by the Vendor as a result of the Purchaser's breach; and
 - b. the venue of any suit or action in respect of this agreement is Victoria (or as otherwise selected by the Vendor) and the Purchaser agrees to submit to the exclusive jurisdiction of the courts of that venue.
4. The Purchaser acknowledges and agrees that:
 - a. Until the Purchaser pays all indebtedness to the Vendor and has performed all other obligations under this agreement:
 - i. title in the Goods remains with the Vendor; and
 - ii. if the Purchaser has taken possession of the Goods it shall hold those Goods as Bailee for the Vendor; and
 - iii. the Purchaser must not agree, attempt, offer or purport to sell, assign, sub-lease, lend, pledge, mortgage, let on hire, encumber or part with possession of the Goods without the Vendor's consent.
 - b. In addition to the rights and obligations outlined above, these terms and conditions create a Security Interest under (and as defined by) the Personal Property Securities Act 2009 (Cth) ("Act") in the Goods sold by the Vendor to the Purchaser and in the proceeds of sale of the goods sold for the purposes of the Act (both being "Secured Property" as defined by the Act).
 - c. The Vendor may (in its sole and absolute discretion) effect a registration on the Personal Property Securities Register under the Act in relation to the security interest arising under or in connection with these terms and conditions and the Purchaser agrees to provide all assistance required by the Vendor to facilitate this.
 - d. In relation to the part of the Secured Property that is inventory, the Purchaser will not allow any Security Interest to arise in respect of that Secured Property unless the Vendor has perfected the Security Interest in the Secured Property prior to the Purchaser's possession of the Secured Property.
 - e. If Chapter 4 of the Act applies to the enforcement of the Security Interest arising under or in connection with these terms and conditions:
 - i. to the extent permitted by section 115(1) of the Act, the following provisions of the Act will not apply to the enforcement of that Security Interest: sections 95 (to the extent that it requires the Vendor to give a notice to the Purchaser) 96, 121(4), 125, 130, 132(3)(d), 32(4), 142 and 143; and
