When setting up service intervals on the left, if you do not do a service type then enter a 0 in the box beside the Service Interval Type: this will ignore that Service Interval when updating services.

This is the schedule of the next services due for this equipment. Services due are added here. When the service has been completed it will appear in the service history area. There should never be more than one service due for the same service type.

A Service Days

30
