	Description	Weight
Model		
	T909 Includes radiator, silicon radiator/heater hoses, front axle shock absorbers, PVC covered chassis wiring, grab handles for cab access & at rear of cab/sleeper, fuel tank steps, front tow hitch/hook, rear axle park brakes, colour coded polyester nylon cab & chassis airlines.	8,440
Configuration		
	Single steer + tandem drive (6 x 4)	0
	Farm Produce Vegetables, crops	0
	Grain/Fertilizer	0
	Rear Tipper	0
	Prime Mover with Roadtrain A-Double trailers. Semi trailer plus drawbar connection to full trailer (two trailers plus one dolly). Up to 36.5m overall length.	0
	Disc trailer brakes with ABS/EBSS on trailer	0
	ADR compliant	0
	B-Double compliant	0
	Road Train compliant	0
	Australia Wide	0
	Australia	0
	Speed Limiter - 100km/hr	0
	PBS assessment Use this code only for trucks that are intended for PBS permits. Performance-Based Standard assessment may have to meet different standard than general access vehicles	0
	High rate GCM (Indicate GCM + % annual dist.) Used to over-ride the normal GCM limits. Selection of this option acknowledges that Applications Engineering approval has been obtained. (Attach Narrative) N09000 113T For AB Tripple With Tri D	0

Kits		
	No fuel haul kit	0
	Standard Service kit	0

Engine & Equipment

Cummins X15 Euro V 550hp / 1850lbft 578hp @ 1800 rpm, 1850lbft torque @ 1200 rpm. 15.0 litre displacement. ADR80/03. Six cylinder in-line turbocharged air-to-air aftercooled, Aluminium flywheel housing. Fleetguard combination full flow & by-pass oil filters & integral oil cooler. Includes 2000rpm max, Cummins road speed limiter, KW spin on water filter.	0
EGP mtd in chassis, Dual side of cab exhaust - In chassis EGP mounted RHS.	48
Dual SS exhaust shields (Personalised <10) - Polished shield with less than ten personalised letters including spaces. Attach a narrative of lettering required. N22000 DALTRANS	16
Dual curved chrome 5" tailpipe - min height	8
Fuel Pro fuel filter/water separator Cummins ISX/Signature Engine Family only.	0
Cummins 8.8l/s (18.7cfm) compressor	0
12V starter with key switch	0
PACCAR 15" SS air cleaners - integrated caps (Stainless Steel cowl mtd air cleaners)	0
170A non isolated alternator (X15)	0
12 volt cab/chassis electrics (unless otherwise specified in Misc Air Equipment, trailer connections will also be 12V)	0
Urea metering device - required with SCR or SMA exhaust systems	0
Cummins engine brake, steering wheel mtd switches	0
Radiator mounted bug screen	1
Horton single speed fan clutch	0
Barry rear eng mounts (Severe service/GCM >110T) Not warranted for use in Severe service or High GCM applications	0

Transmission & Clutch

Eaton Fuller RTLO20918B transmission 2050lbft torque, 18 speed overdrive.	0

Prepared by:	Angus Short		Version Number:	42.02

Description	Weight
2050lbft Easy Pedal Advantage 3 - VCT+ clutch (manual adjust)	0
RPL25 main driveline & 1 C/Bearing (MERITOR Series)	67
RPL20 interaxle driveline - tandem (MERITOR Series)	14
Extended grease line to clutch bearing	2
Extended grease line to clutch shaft	4
Isolated gearshift lever (T9 includes stainless steel gearshift surround)	0
Transmission oil cooler	0
Aftermarket trans PTO NOT with a factory switch	0

- use with a constant drive trans PTO or when a switch will be fitted aftermarket also.

Transmission mounted breather	0
Axles & Equipment	
MERITOR MFS73 (7.3t capacity) (single steer) Includes standard warranty: 24 Months/Unlimited kms (excluding wheel end equipment).	27
Meritor 16.5x6 LA(Q+) front drum brakes (single) on Meritor MFS73 and FL941 front axles	0
Front springs, 7.2t taper leaf (> 9" susp)	0
2 HD steel piloted front hubs & drums - 285PCD (MFS73/D2000F)	5
TRW Ross TAS 85 power steering	0
Automatic Slack Adjusters (single steer)	0
REAR AXLE RATIO-4.30	0
MERITOR MT21-165GP - dual diff locks (Vocational) 20.9t GAW (tandem - vocational applications). Includes Timken NP pinion bearing to front diff carrier and tight fitting crown wheel bolts to both diff carriers. Standard warranty: GCM <=110T, 48 Months/800,000 kms (excluding wheel end equipment).	32
16.5" x 7" Meritor Q+ rear drum brakes (tandem)	0
AIRGLIDE 460 10.5", 20.9T GAWR (tandem) 2 steel pedestals, 10.5" ride height	0
Rear Axle spacing 1321mm NOTE - axles are located by suspension components which may move longitudinally with variances of vertical load or installation angles.	0

Description	Weight
4 Aluminium piloted rear hubs & drums - 285PCD (R-series)	0
Interaxle diff lock	0
Automatic slack adjusters - tandem rear axle	0
Diff breather(s) on axle housing	0

Tyres & Wheels

Bridgestone 295/80 R22.5 R154 - 2 steer. Supersedes to 295/80 R22.5 R154ECO. Trucks offline from 24th October 2022 will receive R154ECO in lieu of R154.	0
Bridgestone 11R22.5 M866 - 312 RPK	0
Alcoa ULTRA ONE 8.25x22.5 285PCD - 2 steer hub pilot (includes polished hub covers)	0
Alcoa ULTRA ONE 8.25x22.5 285PCD hub pilot	0
2 Clean buff wheels - single steer (only required with Alcoa steer wheels/rims)	0
4 Dura-Bright Polished, 4 Clean Buff finishes - rear (only required with Alcoa drive wheels/rims)	0

Frame & Equipment

273mm x 89mm x 9.5mm rails up to 7701mm (0.0621kg/mm/pair of rails)	144
Rear suspension insert	0
Taper cut-off / Dolly towing crossmember	18
Sealant between chassis rail & suspension insert	2
Temporary FUPS device	-54
Aftermarket FUPS bullbar to be fitted	0
Double Tier Battery Box LHRRR	6
Tool box LHS under cab above tank (note:for a C509 sound attenuation shields are NOT included with this option)	30
Tool box RHS under cab above tank (note:for a C509 sound attenuation shields are NOT included with this option)	0
4 x 12V heavy duty Kenworth batteries	0
Cab power supply disconnect switch - Not Fuel Haul Compliant	2
Reversing alarm	1

Front wheel arch extension rubbers	2
Spraysafe Tandem plastic mudguards - Navy Blue	4
Rear mudguard loop kit	4
Thermoflex mudflaps - front (single steer)	0
Thermoflex mudflaps - rear	0
100w (50mm evens) fifth wheel angles GCM limited to 200T.	17
Jost JSK 37 CZW-185/MP0118 (D-value 190kN) Cast Steel 50mm `greaseless` fifth wheel with LubeTronic, 201mm overall height, large rubber mounting cushions on 16mm base plate	239
5th Wheel setting Positive 150mm	0
KW rear sleeper suspension (4 airbags & 4 shocks) - mounted inboard and outboard of chassis (4 shocks & 4 airbags) for 50" integrated sleepers on T609, T659 & T909.	16

Cab & Equipment

T909 cab, integrated sleeper	0
-------------------------------------	---

Huckbolted steel & aluminium cab frame. Steel, aluminium and fibreglass cab construction using aerospace technology. Aluminium bulkhead type doors with continuous piano-type hinges. LED warning light cluster located in dash, low air warning buzzer, engine water temperature gauge, engine oil pressure gauge, voltmeter, fuel level gauge, speedometer, tachometer, air system pressure gauges, manual reset circuit breakers on essential circuits with fuses on non-essential circuits, interior sunvisors, cab interior light, door courtesy lights, pocket holder in drivers door, seat mounted inertia-reel seat belts to driver & rider seats, directional/hazard lights front

& rear, front outline LED marker lights on mirrors, vinyl floor mats, dual electric horns.

Traditional hood, T909, external air cleaners	0
Charcoal cab trim, HD diamond pleat vinyl (6611) with black hard trim as standard	0
ISRI 6860/870 STD air susp driver seat, Charcoal with standard seat cushion and L & R arm rests (LH arm rest only on COE). NOT with Horizontal Isolator.	0
Fixed rider's seat - Charcoal with no arm rests.	0
Drivers black lap/sash seat belt	0
Riders black lap/sash seat belt	0
FM/AM radio aerial - roof mounted	0

Unpublished options may require review/approval.
Dimensional and performance data for unpublished options may vary from that displayed in PROSPECTOR.

Description	Weight
Audio Visual Navigation Screen - 2 speakers & 2 tweeters - includes AM/FM/DAB+ radio and navigation options in a 6.5in touch screen display. Trucks offline from March 6, 2023 (TBC) will have an 8" screen fitted. Refer to FYI 2752 for details.	0
Electrophone UHF CB radio with aerial to RHS	2
Kenworth integral heater/airconditioner	0
Two piece curved windscreen - tinted, laminated safety glass with dual electric variable speed windscreen wipers	0
Daylite II door with electric lift window to LHS	0
Daylite II door with electric lift window to RHS	0
Dual airhorns, both 572mm, mounted on roof on T4/T6/T9 Aero 50" cab	0
Flat mirrors-heated with Moto mirror LHS & RHS	2
Spotter mirrors below main(2)	1
Power plug in driver's seat riser	0
Power plug in rider's seat base	0
Manual reset circuit breakers on truck and trailer lighting circuits only, fuses used on other circuits	0
Dual port USB power supply	0
12v power socket in dash	0
Two spare switches in main switch panel (where space permits)	0
LED headlights, LED Hi Beam, functional DRL - integrated daytime running lights are functional in this option	2
Wiring & switch - later fitment of driving lights with a maximum current draw of 20A	0
LED Mirror mounted rear facing floodlights - with glare shield	2
LED floodlight bar on the back of the cab/sleeper	2

Door courtesy lights	0
LED stop/tail lights (incl. reverse lights)	0
5 LED marker lights (subject to Kenworth Engineering approval)	0
Exterior sunvisor - stainless steel	1
Oil temperature gauge - engine	1

Unpublished options may require review/approval.
Dimensional and performance data for unpublished options may vary from that displayed in PROSPECTOR.

Oil temperature gauge - transmission	1
Oil temperature gauges (2) - tandem axles	1
SCR fluid gauge	0
80mm pyrometer	2
Tachometer with integrated engine hourmeter	0
Turbo boost gauge	1
Programmable Engine Idle Timer - Refer FYI 2721	0
Air suspension pressure gauges (2)	1
Fuel filter restriction gauge	1
Air cleaner restriction gauge for complete intake system	1
Engine coolant temperature gauge	0
Engine oil pressure gauge	0
Low transmission oil pressure warning light (with neutral interlock)	0
Gold bezel gauges	0
Cummins cruise control, steering wheel mounted	0
Adjustable steer column with smart wheel 460mm soft touch	8
20t hydraulic jack & wheelbrace	0
Integral two cup drink holder in dash	0
Back of cab grab handles (non-painted)	0
Radiator mounted condensor	0
Seven hood grille bars - in lieu of three grille bars (Euro 5 compliant engines only)	2
Perforated S/Steel grille, externally mounted	0
Central Locking	0
Black Interior grab handles fitted to A-pillar	0
Dual hood hooks	0
Aero roof 50" integrated sleeper, flat rear panel. Access door with step (where applicable) & grab handle to LHS. Two section tool compartment with external doors. 790mm x 1880mm inner-spring mattress. Sleeper restraint belts. Digital clock. Vista roof	275

windows. Shelves with hanging space & sleeper curtain.

Description	Weight
Flywire screen on LH sleeper door	0
Stainless steel sleeper vents x 4 for 50^ / 1270mm /1400mm Aero sleepers	2
Toolbox door in rear of sleeper	5
240v inverter 2000W pure sine wave output. Inverter located in LHS sleeper tool box. Outlet on inverter case, no 240V wiring provided in sleeper. (For trucks offline from 3/10/22 - Inverter located under bunk. 2x 240v sockets accessible in LHS toolbox, 1x 240v socket located under bunk, 1x 240v socket located on RHS sleeper control panel)	4
Stainless steel vanity skirts to sleeper including steps where applicable.	5
Side extenders & continuation tabs - Aero sleeper	25
Documentation, Telematics & Training	
Kenworth driver's information pack with driver's handbook	0
Kenworth custom maintenance manual - USB drive	0
Air Equipment	
Combined trailer kit, mounted at rear of cab / sleeper and at rear of frame.	5
PBR air line couplings	0
Semi trailer fixed coiled air lines	0
Full truck air couplings, plugged - combined kit	0
Semi trailer fixed light line - AS 2513 plug straight light line	0
Full truck electrical connection - AS 2513 socket mounted at rear of frame	0
Hosetenna right hand side - fixed	0
Manual air tank drain valves	0
Chicago Rawhide Turbo 2000 air dryer	12
Trailer release valve	1
24 volt inverter for trailer safety systems. Increases trailer ABS & TRM supply voltage from 12V to 24V - required for road train compliance.	1
ESP (Prime Mover) - Electronic Stability Program	0

Unpublished options may require review/approval.
Dimensional and performance data for unpublished options may vary from that displayed in PROSPECTOR.

GENERAL CONDITIONS

1. THE Vendor shall not be responsible for failure or delay in making the Goods available for collection due to fires, floods, strikes, transportation difficulties, shortage of or inability to obtain necessary materials or labour, or any other causes beyond the Vendor's reasonable control. The existence of any such cause of delay shall extend the time for performance to such extent as may be necessary to enable the Vendor by the exercise of reasonable diligence to make Goods available for collection, provided however that if such delay shall exceed thirty (30) days from the preferred collection date, the Vendor may cancel this order and the Vendor shall then have no other or further liabilities to the Purchaser other than to return to the Purchaser any deposit paid by the Purchaser to the Vendor. The Purchaser otherwise acknowledges and agrees that risk in the Goods passes to the Purchaser upon the Purchaser's collection of the Goods from the Vendor.
2. THE total net purchase price shown on this Order (subject to clauses 5 & 6 below and to subsequent changes by agreement) shall be due and payable to the Vendor by the Purchaser at the time the Goods are collected from the Vendor or at such time as the Purchaser is notified that they are available for collection (whichever is the earlier date) subject to any contrary written arrangement signed or otherwise accepted by the Vendor and the Purchaser.

3. FOR a material breach of any agreement by the Purchaser, the Vendor may at its option terminate this Contract and may sue the Purchaser for damages and may retain any deposit paid by the Purchaser, or the Vendor may otherwise enforce the terms of the agreement. The Purchaser agrees that:
- a. the amount of any deposit retained by the Vendor under this clause 3 represents fair and genuine pre-estimation of the loss (or any part thereof) suffered by the Vendor as a result of the Purchaser's breach; and
 - b. the venue of any suit or action in respect of this agreement is Victoria (or as otherwise selected by the Vendor) and the Purchaser agrees to submit to the exclusive jurisdiction of the courts of that venue.
4. The Purchaser acknowledges and agrees that:
- a. Until the Purchaser pays all indebtedness to the Vendor and has performed all other obligations under this agreement:
 - i. title in the Goods remains with the Vendor; and
 - ii. if the Purchaser has taken possession of the Goods it shall hold those Goods as Bailee for the Vendor; and
 - iii. the Purchaser must not agree, attempt, offer or purport to sell, assign, sub-lease, lend, pledge, mortgage, let on hire, encumber or part with possession of the Goods without the Vendor's consent.
 - b. In addition to the rights and obligations outlined above, these terms and conditions create a Security Interest under (and as defined by) the Personal Property Securities Act 2009 (Cth) ("Act") in the Goods sold by the Vendor to the Purchaser and in the proceeds of sale of the goods sold for the purposes of the Act (both being "Secured Property" as defined by the Act).
 - c. The Vendor may (in its sole and absolute discretion) effect a registration on the Personal Property Securities Register under the Act in relation to the security interest arising under or in connection with these terms and conditions and the Purchaser agrees to provide all assistance required by the Vendor to facilitate this.
 - d. In relation to the part of the Secured Property that is inventory, the Purchaser will not allow any Security Interest to arise in respect of that Secured Property unless the Vendor has perfected the Security Interest in the Secured Property prior to the Purchaser's possession of the Secured Property.
 - e. If Chapter 4 of the Act applies to the enforcement of the Security Interest arising under or in connection with these terms and conditions:
 - i. to the extent permitted by section 115(1) of the Act, the following provisions of the Act will not apply to the enforcement of that Security Interest: sections 95 (to the extent that it requires the Vendor to give a notice to the Purchaser) 96, 121(4), 125, 130, 132(3)(d), 32(4), 142 and 143; and

Unpublished options may require review/approval.

Dimensional and performance data for unpublished options may vary from that displayed in PROSPECTOR.

Prepared for: Dallas Kropp

- ii. to the extent permitted by section 115(7) of the Act, the following provisions of the PPSA will not apply to the enforcement of that Security Interest: sections 127, 129(2), 129(3), 132, 134(2), 135, 136(3), 136(4), 136(5) and 137.
- f. If the Purchaser makes payments to the Vendor at any time whether in connection with these terms and conditions or otherwise, the Vendor may in its absolute discretion apply that payment in any manner it sees fit.
- g. The Purchaser will immediately notify the Vendor of any changes to its name or address.
- h. The Purchaser will do anything that the Vendor requests the Purchaser to do (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed):
 - i. to provide more effective security over the Secured Property;
 - ii. to register in respect of a Security Interest constituted by these Terms at any time;
 - iii. to enable the Vendor to exercise its rights in connection with the Secured Property; and
 - iv. to show the Vendor that the Purchaser has complied with these terms and conditions.

- i. The Purchaser will pay on demand any losses arising from, and any costs and expenses incurred in connection with, any action taken by the Vendor under or in relation to the Act, including any registration, or any response to an amendment, demand or a request under section 275 of the Act.
 - j. Any notices or documents which are required or permitted to be given to the Vendor for the purposes of the Act must be given in accordance with the Act.
 - k. The Purchaser waives the right to receive any notice under the Act (including notice of a verification statement) unless the notice is required by the Act and cannot be excluded.
5. ALL prices are subject to increase or decrease in the amount of any existing new or changed taxes imposed by Federal or State and/or Municipal authorities upon the manufacture, transportation and/or sales of the commodities named. The Purchaser agrees to pay the amount of any such tax in addition to the price payable.
 6. ALL quotations of prices are based on estimates of present cost of labour and material. To the extent that the Vendor is unable to secure firm prices from its suppliers the Vendor reserves the right to make price increases or decreases should cost change so as to necessitate price adjustment between date of this order and the time of manufacture. The Purchaser agrees that it is responsible for payment in full at the time of collection in respect of any cost increases including any cost increases required by the changes to specification whether or not originating from the Purchaser or the Vendor provided that the Purchaser has accepted the change.
 7. IF any material is furnished by the Purchaser for use in the manufacture of the Goods, the Purchaser indemnifies and agrees to keep indemnified the Vendor from all costs, claims or damages whatsoever arising from any defect or failure of the material or Goods to operate properly as a result of the use of that material.
 8. THE Vendor undertakes that it will warrant to the first user of the Goods under Kenworth or DAF's standard Warranty, however, to the maximum extent permitted by law, the Vendor and PACCAR Australia make no warranties whatsoever to the Purchaser in respect of the Goods, whether express or implied and in particular, the Vendor and PACCAR Australia makes no express warranty of acceptable quality or fitness for a particular purpose.
 9. IN regards to any claim for breach of consumer guarantees under the Australian Consumer Law, the Vendor and PACCAR Australia limit their liability to replacement or repair of the Goods or payment of the cost of replacement or repair.
 10. THE Vendor collects the information on this form in order to forward it to PACCAR Australia. PACCAR Australia will then use the information for the purpose of manufacturing/providing a truck for the Purchaser's use. The Vendor may also forward the information on this form to a finance company for the purpose of offering the Purchaser assistance in arranging finance for their truck purchase. If the Purchaser does not want any personal information forwarded to a finance company, please tick the box - []. The Vendor, PACCAR Australia, and all finance companies with which the Vendor conducts business, comply with the provisions of the Privacy Act 1988.
 11. The PACCAR Connect telematics service, when installed and active, records and sends data from the vehicle such as the vehicle's location, performance and driver behaviours to PACCAR Australia and, if applicable, the Purchaser through the PACCAR Connect website and mobile applications. This data is shared with PACCAR, its related bodies corporate and other third parties, including the PACCAR dealer network and service providers. The Purchaser must put certain measures in place before taking out a subscription to PACCAR Connect, including measures as directed by PACCAR Australia from time to time or as otherwise required by law with respect to the operation of the vehicle. Where the vehicle is driven by anyone other than the Purchaser, the Purchaser must notify the third party driver prior to them driving the vehicle and must take steps to ensure PACCAR Connect is not used to track any NSW employee driver if or when they are not driving for work purposes. The Purchaser and any drivers of the Purchaser's vehicle must agree to the PACCAR Connect Privacy Policy found on paccar.com.au and the PACCAR Connect Terms and Conditions found on paccarconnect.com.au. The Purchaser must also ensure that the PACCAR Connect sticker is and remains prominently visible and affixed to the cabin of the vehicle.
