Notes / Terms

WARRANTY

1. Engines are warrantied for 30 days unless otherwise stated by the seller.

INVOICE

GTR Auto
3505 16th sw
Calgary, Alberta T2T 4H1
Canada

Phone: 4034678208
Fax: 4032871135
www.gtrauto.ca

2. Transmissions are warrantied for 30 days unless otherwise stated by the seller.
3. Mechanical parts are warrantied for 30 days unless otherwise stated by the seller.
4. Electrical parts are not warrantied unless otherwise stated by the seller. ECMS are not covered. Or any other modules. Programing must be done by you if it needs to be done!
5. Used radiators and heater cores are warrantied for 30 days unless otherwise stated by the seller.
6. Differentials are warrantied for 30 days unless otherwise stated by the seller.
7. The engine warranty covers the long block only unless otherwise stated by the seller. The long block warranty only covers the block, heads, and valves, unless otherwise stated by the seller. Warranty is for stock motors only. No warranty on modified engines or cars, suvs, trucks and semi tractor trailers. ** You must also follow the manufactures warranty policy on new, used and reman motors.
8. Buyer is responsible on making sure the correct part is installed. All parts must be installed by a licensed shop/ mechanic. There is no labor warranty unless stated by the seller.
9. The engine accessories such as water pump, distributor, carburetor, injection system, oil pan, intake manifold and exhaust manifold are left on only for customer convenience.
10. With the engine warranty, there is no warranty on sensors, fuel system, gaskets, or seals, unless otherwise stated by the seller. Engine accessories are not warrantied, they are left on as a courtesy to the customer to keep labour costs down and reduce problems.
11. Transmissions are guaranteed to be in good operation condition for the length of the transmission warranty. This guarantee covers replacement or repair at the option of the seller.
12. Failure to replace the front or rear transmission seals voids the transmission warranty. Exchange casting must be returned by purchaser and must be accompanied by the sales receipt and invoice.
13. The transmission warranty will be voided if the transmission is not installed with a new filter and new oil.
14. Electrical parts are sold as is and are not warrantied. There is no exchanges, no returns and no refunds for electrical parts. GTR Auto is not responsible for any electrical item costs, this includes but it not limited to programming, troubleshooting or updating.
15. Seals and gaskets of any part are not covered under warranty. Seals and gaskets are the responsibility of the installer. New seals and gaskets must always be installed before any part is installed.
16. All GTR Auto warranties are parts only warranties, unless otherwise stated by the seller. Parts only warranties do not cover labour. This means none of the warranties cover any expenses in removal or replacement of a non-functional part or functional parts, unless a labour warranty was purchased with the part. Purchased labour warranties must be stated in the invoice to be valid.
17. All warranties are parts only and do not cover any other expenses such as labour, towing, emergency road service, lodging or related expenses, unless otherwise stated by the seller.
18. All products sold may have safety hazards. GTR Auto is not responsible for any safety risks, safety hazards, injuries, or death from any products sold. All products sold by GTR Auto must be inspected by the buyer for defects or safety hazards. GTR Auto in no way guarantees or warranties any products for apparent or non-apparent safety hazards. It is the responsibility of the buyer to inspect for safety hazards or hire an expert to inspect for safety hazards.

19. GTR Auto is not responsible for any damages to other parts or property from defective and non-defective parts. There is no warranty or coverage for any damages to other parts or property for defective and non-defective parts.
20. Oil changes must be done every 5,000km. The customer needs to provide the oil change receipts for proof of proper maintenance of the engine. Any failure as a result of improper assembly and maintenance voids the warranty.
21. There is no warranty for improper installation or improper care of parts after time of purchase.
22. All parts are sold with the expectation that they will be installed by a licensed professional in a licensed repair facility, which has all applicable city, province or state license that apply at the repair facilities location. Additionally, all procedures outlined by the vehicle manufacture service or workshop manual are followed, and failure to do so will void any and all warranties.
23. Warranty can be voided due to failure to install any part properly and negligence when installing any part. Warranty can also be voided due to improper maintenance and customer negligence. The following examples of negligence, improper care and improper maintenance of parts can void the warranty. This list includes the following but is not limited to:
- A) Damage as a result of overheating, lack of lubrication, fuel wash, or contamination.
 - B) Damage incurred as a result of any accident or misuse.
 - C) Damage or failure due to any accessory or service item, including specifically but not limited to: all components of the cooling, fuel, electrical, exhaust and ignition systems in addition to all belts, hoses, bolts, shafts, sensors, switches and filters.
 - D) Damage or failure as a result of competition, racing or related purposes.
 - E) Damage or failure as a result of installing a device or accessory not conforming to original manufacturer's specifications.
 - F) Damage as a result of electrolysis, including but not limited to, deterioration of engine components as a result of excessive electrical current.
 - G) Damage or failure as a result of improperly maintained coolant, and/or any product on which periodic maintenance services required by the original manufacturer have not been performed.
 - H) Damage or failure resulting from excessive forward pressure placed on the rear of the crankshaft thereby wearing crankshaft thrust surface.
 - I) Damage resulting from improper repair(s) or attempted repair(s) by any service technician.
 - J) Damage or failure caused by using contaminated or stale fuel - i.e. leaking carburetors, clogged fuel pipes, or sticking valves.
 - K) Damage or failure resulting from operating with insufficient, incorrect or contaminated lubricating oil.
 - L) Repair or adjustment of associated parts or assemblies such as clutches and transmissions.
 - M) Damage or wear to parts caused by dirt which entered the engine because of improper air cleaner maintenance, re-assembly or use of a non-original air cleaner element or cartridge.
 - N) Damage or failure resulting from a loose engine mounting, improper attachment of equipment to engine crankshaft or other abuse in operation.
 - O) Damage or failure resulting from lack of routine tune-up or adjustment of the engine.
 - P) Damage or failure resulting from the use of incorrect fuel for engine to function properly. Alternative fuels examples are liquefied petroleum, natural gas, altered gasoline, etc.
24. Warranties are limited to replacement, repair or refund at the option of the seller. GTR Auto reserves the right to exchange, repair, or refund any part at its sole discretion.

25. GTR Auto reserves the rights to determine if a part is defective or non-defective. In addition Cores must be drained of all fluids and placed in original packaging. The core must be complete and not disassembled. It must also be secured and not a hazard for shipping. You will lose your core charge if these steps are not followed. GTR Auto reserves the right to determine if the core charge will come back to the Customer.
26. Defective parts are guaranteed for over the counter replacement. Only if a replacement is not available will money be refunded. Warranties are at the option of the seller to replace defective part, repair defective part, or refund money for defective parts.
27. Special order parts are not returnable. Special ordered parts are not refundable. Special order parts are deemed special order at the discretion on the seller.
28. Non-defective parts that are returned are subject to restocking charges up to 50% of complete cost of purchased item. Labour and freight charges are not refundable. Any returned part must be accompanied by a sales receipt and invoice. Special order parts are not returnable and not refundable. Special order parts are deemed special order at the discretion of the seller.
29. Cancelled orders of non-defective parts are subject to restocking charges up to 50% of complete cost of purchased item. Labour and freight charges are not refundable. Any cancelled parts must be accompanied by a sales receipt and invoice. Cancelled orders of special ordered parts are not returnable and not refundable. Special order parts are deemed special order at the discretion of the seller. GTR Auto does not refund deposits for cancelled purchases. Vehicle's' / Parts left for 7 days or more, will be towed at owners expense, and will be charged storage at 100\$ a day.
30. Non- defective parts that are returned must be in the same condition as when sold or the warranty is voided. Warranty is voided if the non-defective part has been disassembled or damaged.
31. Warranty is voided for any part sold that is returned disassembled. If you take apart the engine your warranty is voided. Warranty is voided for any part sold that is missing a piece or multiple pieces. The warranty will be voided for any part that is not returned assembled in the same condition and packaged in the same condition that it was received. Warranty is voided if any portion of the sold part is damaged by improper installation, improper care or customer negligence, and or if any damage occurs during transportation of the part when being returned.
32. Any parts not picked up within 30 days will be restocked and the customer will lose their deposit.
33. Deposits are non-refundable. GTR Auto does not refund deposits for cancelled purchases.
34. GTR Auto does not control shipping. There are no refunds on shipping delays, no exceptions. GTR Auto is not a shipping company, and does not control the time it takes for parts to be transported.
35. GTR Auto does not control shipping. There are no refunds from GTR Auto on damages made from shipping. If damages occur during shipping. The shipping company is the responsible party that the customer must go through to collect a reimbursement for the damages made during shipping. WE SHIP ON YOUR BEHALF. You can also arrange your own shipping also. You the purchaser is responsible for the product and the damages that occur.
36. BY PURCHASING AN ENGINE OR ANY PRODUCT YOU AGREE TO ALL TERMS AND CONDITIONS AND GTR AUTO WILL NOT BE RESPONSIBLE FOR ANY WRONGDOING.
