Conditions:

Recyclables must meet stewardship regulations, and exceed 600 litres to qualify for incentive. Applies to net oil only. Foreign contaminants are subject to disposal charges.

Applicable incentives remunerated upon receipt of invoice net 60 days.

Materials must be ready to ship (plastic bagged, pallet stacked, drums or shipping containers must be sealed and in good condition). PCB material is federally regulated, undisclosed contamination clean-up, disposal, business interruption, and all activities related to management of incident is at the cost of the generator.
