

Lot 24

John Deere 3010 Orchard Tractor, Diesel Engine

Description

From 1961 to 1963, there were only 57 3010 orchard tractors built with a diesel engine.

This is a **rare tractor being 1 of 57.**

It was originally shipped to Florida from the Waterloo Iowa factory.

It has new batteries, new rubber, 3 point-hitch, recent paint job.
