

**NOTICE TO BUYER: THE PRODUCTS BEING SOLD TO YOU (THE “PRODUCTS”) ARE NON-WARRANTED SCRAP BUILDING MATERIALS (INCLUDING BUT NOT LIMITED TO POLYISOCYANURATE INSULATION BOARDS) PLEASE READ THE FOLLOWING DISCLOSURES CAREFULLY BEFORE PURCHASING OR USING THESE PRODUCTS.**

(1) Scrap Designation. The Products have been designated as scrap by the original manufacturer and have not been approved by the original manufacturer for sale in the ordinary course of business. The Products are being sold by Mulford Equipment & Products LLC (“Seller”) in a secondary market capacity only. (2) As-Is Sale. The Products are sold strictly on an "as-is, with all faults" basis. No representations or warranties of any kind, express or implied, are being made by Seller or the original manufacturer with respect to the Products, including without limitation any warranty of merchantability or fitness for a particular purpose. (3) Known Defects. The Products have been designated as scrap primarily on account of structural defects, which may include, without limitation, deficiencies in compressive strength. In addition, some Products may exhibit diminished thermal resistance (R-value). Seller makes no representation regarding the degree or extent of any such deficiencies in any particular Product. (4) No Code Compliance. The Products may not meet FM, UL, and/or ASTM code approvals. Neither Seller nor the original manufacturer makes any representation that the Products are suitable for any particular use or application, including without limitation wall insulation, barn or shed construction, or any application requiring code compliance. (5) Buyer's Responsibility. By purchasing the Products, you acknowledge and agree that (i) you have independently evaluated and determined the suitability of the Products for your intended use prior to purchase or acceptance; (ii) you assume all risk and responsibility in connection with the use or application of the Products; and (iii) neither Seller nor the original manufacturer shall have any liability arising out of or related to Buyer's use or application of the Products. (6) Manufacturer Branding. The Products may bear the name, logo, or other identifying markings of the original manufacturer. Such markings do not indicate that the Products are being sold by or with the authorization of the original manufacturer, and the original manufacturer has not approved these Products for sale in the ordinary course of business. No warranty, express or implied, is provided by the original manufacturer in connection with these Products, notwithstanding the presence of any such markings on the Products.
