5,000/KM or 1 YEAR labour warranty, whichever comes first.
Installed parts are not warrantied beyond warranties given by the respective manufacturers.

Can-Do Auto reminds you that if your wheels have been removed for any service performed, they have been torqued to manufacture's specs. Wheel nut tightness should be re-checked for proper torque within 100km.

We have built a trustworthy reputation providing excellent service in our community. If we ever fail to meet your expectations, please let us know!
